Richard M. Moon Primary School School Accountability Report Card Reported Using Data from the 2019-2020 School Year

Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020-2021)

Richard M. Moon Primary School serves children from Transitional Kindergarten through third grade (539 students). Moon has a strong tradition of academic success and continues to thrive. We believe that ALL children can learn; achievement and growth should be celebrated; that being positive can inspire and affect learning positively, and that school should be rigorous and FUN. We have a diverse student population and seek to meet the needs of all of our students through strategic instruction. We are committed to implementing the best teaching strategies possible in our classrooms.

During the 2019-2020 school year, we focused on Targeted Small Group Reading Instruction, providing instruction to all students at their reading level, with the goal of 80% or more students leaving third grade reading on grade level. For the students at risk in reading, we supplement Targeted Small Group with Intensive Small Group Instruction utilizing Systematic Instruction in Phonological Awareness, Phonics, and Sight Words (S.I.P.P.S.). Other areas of focus are strategic first instruction to improve Academic Language Development, Mathematics and implementation of the California State Standards, and the emphasis on the social-emotional well being of the students at Richard M. Moon Primary School.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to
 the University of California and the California State University, or career technical education sequences or programs
 of study.

Mathematics (grades 3-8 and 11)	32	N/A	24	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

• Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-2021)

There are many ways that parents can be involved in their child's education at Richard M. Moon Primary School. First, we encourage all parents to volunteer in their child's classroom. Other opportunities for parental involvement are School Site Council, which allows parents to help develop the school site plan and allocate Moon's categorical budget. We also support parental involvement through the Kindergarten Readiness Night prior to the end of school, for our incoming kindergartners, providing new parents information about Moon and materials to help them work with their child over the summer to be better prepared for school. Prior to the start of school, we hold our Back to School Night, informing parents about our school, how they can be involved, and support their child. We have Parent/Teacher Conferences throughout the year to inform parents about their child's academic progress. Lastly, we have Open House in the Spring, to have parents visit their child's classroom and see the progress that has occurred over the course of the year. Parents are also encouraged to participate monthly in health, emotional well-being, and craft workshops. For information about getting involved at our school, please contact Lisa Brewer at (209) 874-2371.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	1.0	0.6	2.9	3.7	3.5	3.5
Expulsions	0.0	0.0	0.1	0.1	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	1	83	
Expulsions	0	2	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

The principal and staff monitor the school grounds continually. The principal and the head of maintenance do monthly inspections to ensure the safety of our campus. All visitors to the campus sign in through the school office and receive a visitor's pass. The WUSD safety plan was modified and reviewed in March, 2019, which is also updated annually and presented to the school board. Fire drills are held monthly, lockdown drills twice a year, and earthquake drills four times a year as per the California education code.

To support student social-emotional health as it can be impacted through the use of social media, the district has implemented an application that can be used on student devices and online, which is anonymous, but students can/may leave his/her name - the app is called STOPit. This application can also be used by students to report any bullying and/or concerns he/she may encounter at school or on the way to or from school. In efforts to maintain a safe campus, all schools are utilizing a check-in system that requires each visitor to have proper identification and declare the visitor's destination on campus. The RAPTOR system also checks all visitors for individuals who are on the online system for Megan's Law.
