IAR (Illinois Assessment of Readiness) and ISA (Illinois Science Assessment) Testing

We would like to remind parents that IAR testing begins April 5th and continues through April 22th for students in third-eighth grade. We have 3 weeks available as our testing window. This allows us to insure there is plenty of time to schedule all computer-based testing sessions and any makeup sessions. All students in grades 3-8 will be testing on computers this year, and we hope to have the majority of tests completed by April 15th. Extra time may be needed beyond this for make-up testing sessions. All tests must be completed by April 20th. Please encourage your child to work to the best of their ability during the testing process.

Attendance is extremely important during this time, but students who are too ill to attend school should remain home in order to recover. Students who miss test sessions have to make them up and are pulled from classes

to complete them. These students miss important instruction and class work time. Proper rest and nutrition play a vital part in a student's ability to focus and concentrate. Please assist your child by ensuring that they have had adequate sleep and a balanced breakfast.

Spring Break

Just a reminder - Spring Break begins on Monday, March 28, 2022. All students will return to school on Monday, April 4, 2022.

LIBRARY NEWS

It is that time of year that I start chasing down students about books that have not been returned. Every book can be checked out for two weeks and renewed for an additional two weeks. Students are getting confused about A.R. books - they also can be checked out for two weeks and renewed for an additional two weeks.

The library does not distinguish between types of books, only students know if they took a book for A.R. However, all books have the same amount of time for check out. There are many books that were checked out as long ago as **November** that have not made it back to the library. If a student owes a late fine or has a book out for more than a month they may not check out another book until these issues are resolved.
