

## **HIGH SCHOOL APPLE ART REQUIREMENTS**

- 1. Illustrate love or anger using any media (try to refrain from hearts)**
- 2. Self -Portrait (This should be a detailed drawing of a person's face. This should not be done from imagination)**
- 3. Still life of your bookbag (This should show depth, texture, and value)**
- 4. Recreate a famous artwork using any media**
- 5. Draw how life would look like if you were 6 inches tall OR a giant (demonstrate concepts of perspective – how does this change size, texture, overlap, position, color)**
- 6. Your choice**

**These SIX drawings should be drawn on unlined paper and students may use a variety of media, such as pen, pencil, markers, crayons, paint, pastels, etc. They should be included in a portfolio cover and the cover should indicate student's name and personality. This list is not a limit of the number of drawings you can turn in; it is just a sampling of your skill and creativity. Good luck!**
