Principal's Message

Dear QCT Families and Community,

I hope this message finds you well. It is hard to believe that we have officially passed the halfway point for this school year! As we move into this second half of the year, it is a good time to pause, reflect, adjust, and celebrate how far we've come. To that end, I would like to take a moment to share some videos with you. These were developed coming out of our last report card period and were an opportunity for students and teachers to reflect on their growths and their goals for this school year. Most classrooms chose to participate. We hope you enjoy these videos highlighting many of our young scholars and their hopes and dreams.

We are so proud of our students!

Our school-wide goals are still around the following three areas:

1. Promoting strong reading experiences for students and growing a literate school;
2. Helping students to self-regulate and have positive peer relationships;
3. Building positive relationships with families and community towards a healthy, vibrant, school community

You can partner with us at home by enjoying books daily with your children, talking with your children regularly about productive ways to problem solve when situations with peers arise, and reaching out often to our school staff to partner around your child's education.

We are grateful to be working alongside you, serving our students and the Tulalip community.

Sincerely,
Sarah-Marie Boerner, Principal

Message from our librarian, Mrs. Ervin

The Read 4 Adventure program starts! For the month of March, read 480 minutes, log it and you will receive a free voucher to High Trek Adventures located in Everett. You can choose the ropes course or laser tag. Fill out the reading log submission form online (the link is on your reading log that will be sent out electronically by your classroom teacher) and turn in your reading log to your teacher. Happy Reading! If you have any question, contact Mrs. Ervin

End of the Day Pick Up

Thank you for your continued support with your child's education. It is very important that students are in attendance for the full school day. Even the last half hour of the day from 3:00 to 3:30 p.m. there is teaching happening. When students are picked up early they are missing out on important educational instruction. We understand that our pick up after school can be sometimes frustrating but we encourage families to wait until 3:35 p.m. for pick up. Thank you
