Note: Most students will complete 30-35 fitness challenges. **35 is the MAX.**

DONATIONS | REWARDS | CHARACTER

As a thank you for getting donations, students can receive individual and class rewards. There are 2 ways families can get donations.

- 1) Giving a flat donation, like \$30.
- 2) Making a pledge per fitness challenge.

If you make a \$3 pledge per fitness challenge, and your student completes 30, you'll donate \$90. Plus, while they're raising funds, to help our school, students will be learning how to play with character through Booster's new character theme, Sports City Worldwide.
