

Pleasants County Schools- School Entry Guide as of January 2023

Help us reduce illness in our schools by following the illness prevention guide and the guidance below. Please call one of our school nurses if you have any questions.

I NEED TO STAY HOME IF...

I HAVE A FEVER	I AM VOMITING	I HAVE DIARRHEA	I HAVE A RASH	I HAVE HEAD LICE	I HAVE AN EYE INFECTION	I HAVE BEEN IN THE HOSPITAL
Temperature of 100.0 or higher	Within the past 24 hours	Within the past 24 hours	Body rash with itching or fever	Itchy head, active head lice	Redness, itching, and/or "crusty" drainage from eye	Hospital stay and/or ER Visit
I AM READY TO GO BACK TO SCHOOL WHEN I AM....						
Fever free For 24 hours Without the use of fever reducing medication i.e. Tylenol, Motrin	Free from vomiting for at least 2 solid meals	Free from diarrhea for at least 24 hours	Free from rash itching, or fever. I have been evaluated by my doctor if needed	Treated with appropriate lice treatment at home and proof is provided to nurse	Evaluated by my doctor and have note to return to school	Released by my medical provider to return to school

Chart Developed by Debbie Crowe, Jan Smitley, Keri Straight, and Mandy Mote using state and local Attendance and Health guidelines and policies.

- If you have had a fever, please do not enter the building unless you have been fever-free for 24 hours without fever reducing medications.
- If you tested positive for COVID-19, you may not enter our buildings for 5 days and if symptoms are resolving (no fever for 24 hours without fever reducing medications) you may enter the building on day 6 but should wear a mask for days 6-10 unless you received a negative antigen test.**
- MASK/ FACE COVERING GUIDANCE:**
Optional, but recommended.
- Regularly wash your hands with warm water and soap or with hand sanitizer containing at least 60% alcohol.*
- Use physical distancing when appropriate.*
- Cough/ sneeze into your elbow or a tissue and not your hands.*
