

Core Values

Patient-centered, committed to the communities we serve, and invested in our patients and ourselves. We believe in having trustworthy, respectful relationships with our patients that create positive healthcare experiences.

Vision

Increase the delivery of affordable, compassionate, excellent care in the communities we serve, and become the center of choice for residents of Ritchie, Pleasants, Doddridge, and Wood Counties.

Mission

Ritchie Regional Health Center provides affordable, compassionate, excellent care that is close to home.

Who We Are

Ritchie Regional Health Center (RRHC) was established in 1994 as part of a pilot school-based health center program. Based in Ritchie County High School, RRHC offered health care services to students, staff, and teachers. Today, RRHC offers primary care services at seven campuses across Doddridge, Pleasants, Ritchie, and Wood Counties.

Meet Our Main Medical Provider at St. Marys SBHC

Danielle Potts, PA-C

Danielle joined the team at Ritchie Regional Health Center in August 2021. She is from the Mid-Ohio Valley and wants to serve her community and help meet their primary healthcare needs. Danielle provides acute and chronic care services to patients of all ages.

Our Services

We provide a full range of healthcare for the whole family. Students can be seen during school hours at our school-based sites, with parental consent. We take pride in getting to know our patients and meeting their personal needs with quality care.

 Acute Care - sore throat, sinus, allergies, etc.

 Chronic Care - high blood pressure, diabetes, etc.

 Telehealth

 Walk-Ins

 Lab Work

 COVID Testing & Vaccines

 Prescriptions

 Referrals

 Immunizations

 Sports Physicals

Serving the Community

Just because our campus is located within a school, doesn't mean we strictly see students - we welcome the whole community!

Accepting All Major Insurances

We accept most insurance plans, including Medicare and Medicaid.

Sliding Fee Program

Because we are Federally funded, we are able to offer the Sliding Fee Program which provides services to our patients at discounted rates based on family size and income level.

Dental, X-rays, Behavioral Health Services

We also provide dentistry, radiology, and behavioral health services at some of our locations. Ask our Medical Provider for more information.
