

E-CIGARETTES & YOUTH VAPING

What Michigan parents and adults need to know in 2022

Monday, March 21st, 4pm Eastern

This school year, youth vaping is as big an issue as ever, especially given growing mental health challenges for our kids. Behind the bright colors and sweet flavors of e-cigarettes are harmful chemicals and nicotine addiction. Join us for everything parents need to know to help kids avoid or quit vaping.
