March 11, 2022**

# Wynford Local School District

## The Vacancy

Wynford Local School District is seeking a qualified educational and organizational leader for the position of superintendent. North Central Ohio Educational Service Center is assisting the Board with its search. All applications will be reviewed by the Wynford Local School Board of Education.

## About the District and Community

Wynford Local Schools is located approximately one hour north of Columbus, Ohio and one hour south of the Lake Erie Islands. The school system is the hub of the community as the district is made up of six (6) townships near Bucyrus, Ohio. The district has an enrollment of approximately 1,200 students in a large rural area. The schools are centered on one campus with an elementary school building (grades PreK-5), and a new middle/high school building (grades 6-12). The district recently passed a bond issue to build a new middle/high school and renovate the elementary. The construction plan also included renovating the old high school into a community center.

Wynford Schools prides itself on preparing students for the next level. The majority of the students are pursuing a college education program, while a fair amount of students prepare for a skilled trade and the workforce. The high school and middle school are one of two schools statewide to earn the Momentum Award for three consecutive years. Wynford Elementary is a lighthouse "Leader in Me School". Wynford Schools is a family oriented district with a rich history of academic and athletic success.
