**Directions: The LEA Plan for Use of ARP ESSER Funds requires planning the full allocation. The template below will assist in the development of the district plan. Districts may select evidence-based practices (pre-filled below) included in the LEA Plan for Use of ARP ESSER Funds or add additional rows to provide the practice and evidence that will be utilized by the district. The plan may be revised by notifying the DESE and uploading the revised plans in Indistar and on the district website (please include the revision date on all documents).**

- 1. Creating Safe and Healthy Learning Environments:** Determine if ARP funds will be used to implement prevention and mitigation strategies that are, to the greatest extent practicable, consistent with the most recent CDC guidance on reopening school, in order to continuously and safely open and operate schools for in-person learning. Districts may select evidence-based practices (pre-filled below) included in the LEA Plan for Use of ARP ESSER Funds or add additional rows to describe the practice and evidence that will be utilized by the district.

2. **Addressing Lost Instructional Time or Loss of Learning:** Describe how the LEA will use the funds it reserves under Section 2001 (e) (1) of the ARP Act to address the academic impact of lost instructional time through the implementation of **evidence-based interventions**. The district must spend a minimum of 20% of ARP ESSER funds. The full implementation of the evidence-based interventions include the personnel, materials, equipment, professional development, and expenses needed to meet the needs of students. Other evidence based practices may be utilized if the intervention meets one of the four tiers of evidence. Evidence based practices resources may be found on page 7 of Empowering Schools for Success Using Effective Evidence Based Practices to Impact Student Outcomes. Districts may select evidence-based practices (pre-filled below) included in the LEA Plan for Use of ARP ESSER

Funds or add additional rows to describe the practice and evidence that will be utilized by the district.

**2.A. Process for Monitoring Implementation:** Describe how the LEA will ensure that the interventions it implements, including but not limited to the interventions implemented under Section 2001 (e) (1) of the ARP Act to address the academic impact of lost instruction time, will respond to the academic, social, emotional, and mental health needs of all students, and particularly those students disproportionately impacted by the COVID-19 pandemic, including students from low-income families, students of color, English learners, children with disabilities, students experiencing homelessness, children in foster care, and migratory students.

**Description:**

CSD is hiring high quality certified; licensed educators to tutor students affected by learning loss and improved their academic ability. We plan to test all students and determine ability level, learning loss and periodically retest to show growth.

**2.B. Process for Evaluating Implementation:** Please describe how the LEA will evaluate the effectiveness of these interventions.

**Evaluation:**

CSD will evaluate the interventions by assessing the students each nine weeks to determine academic growth. Interventionists will provide high quality small group tutoring in 30 minute sessions.

**3. Supporting Educator and Staff Stability and Well-Being:** Determine if ARP funds will be used to support educator and staff stability and well-being consistent with Section

2001 (e) (2) of the ARP Act. Districts may select evidence-based practices (pre-filled below) included in the LEA Plan for Use of ARP ESSER Funds or add additional rows to describe the practice and evidence that will be utilized by the district.
