Dear RSU 10 Community:

We have received several reports and inquiries about a number of posts appearing on several social media platforms that contain allegations of harassment by both staff and students. Please be assured that we are processing all complaints we receive (both about the posts themselves and about alleged harassment) in accordance with our policies and procedures.

If you need to report a school-related harassment (or discrimination) concern, please scan the QR code (below) or email [titleIX@rsu10.org](mailto:titleIX@rsu10.org). This communication goes directly to the Title IX Coordinator. Please be aware that we will not be monitoring the internet for posts addressing harassment/discrimination concerns, so individuals with such concerns should report them directly to the RSU.

If you have been identified in one of the posts and have concerns, please email [titleIX@rsu10.org](mailto:titleIX@rsu10.org).
