

March 31, 2016

Dear Parent/Guardian:

SOMETHING NEW AND EXCITING !!

Westview School Corporation's Division of Child Nutrition is utilizing a service called K12paymentcenter.com. If you are already registered there is nothing for you to do. If you have not registered, please go the website to register your student(s). You will need their student ID number to do this.

Using this secure site to make your payments and monitor your student's account gives you the assurance of knowing where your money is going and how it is being spent. Using K12paymentcenter.com will remove the stress that comes with making sure your student has money on his/her account for breakfast or lunch.

[K12 paymentcenter.com](http://K12paymentcenter.com) has ***eliminated*** the lifetime membership fee of \$10, starting this school year of 2016-17. There is a per transaction fee of \$1.95. As a result your fee can be substantially less, as a % of the amount you pay, than the 3% fee that was charged for this service in the past. These are not Westview School Corporation charges and this is an optional service for you to consider. If you choose not to participate in this service, no change needs to be made. **Existing accounts that have basic service will be upgraded to this premium service.**

The one-stop for automated school meal account management.

- ❖ *Make meal payments on the internet using your credit or debit card.*
- ❖ *Check your child's meal account balance.*
- ❖ *Receive low balance alerts by e-mails.*
- ❖ *See what your child is purchasing beside their meals.*

For more information, please go to www.k12paymentcenter.com. As always, should you have any questions, please do not hesitate to call your child's school and ask to talk to the Cafeteria Clerk.

Sincerely,

Brian Christner
Westview School Corporation
Director of Finance
