In Loving Memory of Jay Briscoe

Trust Me with Your Isaac
By Beth Moore from
"Whispers of Hope"

For every Abraham who dares
To kiss the foreign field
Where glory for a moment
grasped
Is for a lifetime tilled....

The voice of God
Speaks not but once
But 'til the traveler hears
"Abraham! Abraham! Bring
your
Isaac here!"

"Bring not the blemished
sacrifice,
What lovest thou the most?
Look not into the distance,
You'll find your Isaac close."

"I hear the tearing of your
heart
torn between two loves,
the one your vision can behold
the other hid above."

"Do you trust me Abraham
with your gravest fear?
Will you pry your fingers loose
And bring your Isaac here?
Have I not made you
promises?
Hold them tight instead!
I am the Lover of your soul
The Lifter of your head."

From your family and all
those who love and miss
you.

Believe me, O my Abraham
When blinded by the cost,
Arrange the wooded altar
And count your gains but loss."

"Let tears wash clean
your blinded eyes
until unveiled you see—
the ram caught in the thicket
there to set your Isaac free."

"Perhaps I'll send him
down the mount
to walk right by your side.
No longer in your iron grasp
But safer still in mine."

"Or I may wrap him in the wind
and sweep him from your sight
to better things
beyond your reach—
believe with all your might!"

"Look up, beloved Abraham,
Can you count the stars?
Multitudes will stand to reap
From one dear friend of God."
"Pass the test, my faithful one;
bow to me as Lord."

Trust me with your Isaac—
See, I am your great Reward."

One of the passages marked in Jay's Bible: (Phil 3:17)

"Join with others in following my example brothers and take
note of those who live according to the pattern we gave you."

U.S. troops in Iraq

The biggest news event of 2003 was unquestionably President Bush's decision to employ American armed forces to oust Iraqi dictator Saddam Hussein. The regime was toppled quickly, forcing Hussein and top members of his Baath political party into hiding. After an exhaustive manhunt, U.S. forces captured Hussein in a small underground hiding area on the banks of the Tigris River.

nine months in hiding

Saddam looks haggard and resigned after he's found.

hurricane isabel

A powerful Category 5 hurricane slams into the coastlines of Virginia and North Carolina, causing millions of dollars in damage with sustained winds exceeding 100 miles per hour.

california burning

Wildfires rage outside San Diego, forcing neighborhood evacuations and destroying thousands of homes.

the big blackout of 2003

Millions of people across the northeastern United States break out the candles as a massive blackout cuts electrical power for several days.

MOVIES

an epic conclusion

In 2003, the one film at the top of everyone's must-see list was *The Return of the King*. In the final chapter of *The Lord of the Rings* trilogy, Frodo (Elijah Wood) journeys to Mount Doom to dispose of a very dangerous piece of jewelry. Meanwhile, Aragorn (Viggo Mortensen) and Gandalf (Ian McKellen) lead humanity in one last stand against Sauron's massive army of Orcs and airplane-sized elephants. Will the One Ring be destroyed? Will humanity survive? Will director Peter Jackson finally get a Best Picture Oscar® for his amazing work? All of Middle Earth wants to know....

MUSIC

workin' it at the vmas

As always, the MTV Video Music Awards provided many of the year's most memorable music moments. Coldplay got accolades for Breakthrough Video, '80s popsters Duran Duran won an award for Lifetime Achievement, Justin got the nod for Male Performer of the Year, and Missy strode off with the coveted Video of the Year award for "Work It." To top it all off, the King of Pop saw some of his biggest hits covered with extreme vehemence by Lars and the gents from Metallica.

TRENDS

to swap or not to swap

With the launch of Napster V2.0 and the new iTunes music store, the Internet continued to reshape the way we listen to music in 2003. But not all was rosy on the World Wide Web. Fearing that online music swapping was eroding profits, the Recording Industry Association of America (RIAA) tried to curb unlicensed music downloads by supporting litigation against alleged copyright violators.

TECH GEAR

the future is digital

The march toward the digitalization of everything continued in 2003. Music fans embraced ones and zeros, downloading MP3s from iTunes and other new sites. Digital cameras became more affordable and more powerful, while cell phones integrated a host of functions, from MP3 playback to digital photography to video games. Even the family pet got in on the digital act, as Sony unveiled the newest version of its AIBO robotic pooch.

TELEVISION

Fear factor

a little too real

Impossible to believe but true—2003 saw even more reality shows on TV than the year before. It seemed every person on the planet was being followed by a camera crew, from those searching for love (*The Bachelor*, *The Bachelorette*, *For Love or Money*, *Average Joe*, *Joe Millionaire*) to those seeking adventure (*Fear Factor*, *Survivor*, *Road Rules*, *Beg, Borrow and Deal*) to those looking for a sixteenth minute of fame (*The Surreal Life*). Of course, the show that started the craze, *The Real World*, was still going strong on MTV. Just promise us, please, no more Puck.
