Community Connection

Joseph Innis, District Administrator

Dear Community Members:

JUNE, 2015

As the 2014-15 school year comes to a close I want to take this opportunity to thank you for your assistance this past year. Whether you served on various committees, did volunteer work, attended school activities or assisted in other ways your support has been greatly appreciated.

As I complete my tenure as District Administrator at the end of this year, I want to thank the School Board and community for giving me the opportunity to work in the Kewaunee School District the past three years.

It has been a pleasure to work with a dedicated staff, a committed School Board and a community that rallies around the children to assure that they are receiving the best education possible.

I will always be grateful for the opportunity to serve as District Administrator of the Kewaunee School District. I wish you the best in the future.

Sincerely,

Joseph Innis
District Administrator

Facilities Project Update – May 2015

Since voters successfully passed the \$16.2M facilities project on April 7, 2015, the district has been moving quickly to advance the approved facility improvements to the High School/Grade School from preliminary concepts to reality. Working closely with Eppstein Uhen Architects and Miron Construction, administrators, principals and staff have toured similar recent projects and have confirmed needs in specific areas to kick off the early stages of architectural design. All aspects of the project are currently being deeply investigated to maximize the approved referendum budget, minimize disruption, and use district resources as efficiently as possible. For example, the track resurfacing project originally scheduled to occur this summer, will now take place as part of the larger High School/Grade School project next summer.

The estimated project schedule is now as follows:

May – October 2015: Design and cost/budget review work underway

October – December 2015: Final construction documents prepared for public bidding

January – March 2016: Project components bid to subcontractors, suppliers, and vendors

April-May 2016: Groundbreaking and renovation work gets started (weather permitting)

May 2016 – October 2016: Construction and renovation work underway on High School/Grade School, Ag Lab/Greenhouse, Auxiliary Gym, Auditorium, Weight Room/Wellness Center, Track and new District Offices.

Spring/Summer 2017: Hillcrest demolished after new offices complete, existing Hillcrest site converted to replace existing competition soccer field and physical education/green space.

Stay tuned for additional Facilities Project Updates! To stay informed about construction updates and next steps, visit www.kewaunee.k12.wi.us on a regular basis! You can also call the District Office at 920-388-3230 with questions.

KIM WILEY RECEIVES HERB KOHL EXCELLENCE SCHOLARSHIP AWARD

May 2015

A \$3000 Herb Kohl Educational Foundation 2015 Excellence Scholarship was presented to Kim Wiley, a student at Kewaunee High School, on April 25.

The Herb Kohl Excellence Scholarship recognizes students who have demonstrated academic potential, outstanding leadership, citizenship, community service, integrity, and other special talents.

The Herb Kohl Educational Foundation has been recognizing educational excellence annually since 1990 with \$1000 Excellence Scholarships to 100 graduating high school students throughout Wisconsin. In celebration of the Foundation's 25th anniversary, Herb Kohl has tripled the scholarship amount to \$3000 per recipient. Since it was established in 1990, the Herb Kohl Educational Foundation has awarded \$9 million to Wisconsin students, teacher, and schools.

THANK YOU TO BUILD THE FUTURE FOUNDATION!

Submitted by Julie Lamack

The second grade students and teachers would like to thank Build the Future Foundation for their generous donation. We used the grant money to purchase mentor texts (books used to teach concepts) for our science units. These books connect to the Next Generations Science Standards. Thanks again for your continued support in the education of students at Kewaunee Grade School!

Coaching, Collaboration and Growth

Submitted by Ms. Krueger

Just like in sports, technology coaching provides a safe and supported environment for learning. One example is when the First Grade teamed up with Ms. Krueger's sixth grade study hall students to do animal research for a writing piece that works on the Common Core Standards. The first graders needed to do some online research about their animal and the sixth graders acted as their coaches, guiding them through the online research process.

Later, the first graders invited the sixth graders to come down to their classroom so that the First Graders could proudly share their completed writings with them.

Several grade levels have teamed up with Ms. Krueger and her student helpers over the last two years. Technology coaching and collaborations designed by teachers have found great success for our students, both big and small.

3000 SHOT CLUB

This summer: KEEP TRACK OF HOW MANY SHOTS YOU SHOOT.

Everyone who shoots 3000 or more will receive an official 3000 "SHOT CLUB" Shirt

Shoot them anywhere (gym, playground, driveway) and make as many as you can

The Shirts will be awarded at half time of a varsity basketball game next season.

Keep track of your shots on the calendar and have your parents sign the calendar when you're finished.

Contact any Kewaunee Youth Basketball Board member (KYBA) when complete.

Also, the KYBA is still selling Kewaunee Stadium Chairs if interested please contact Teresa Bortolini at (920) 660-0113 or email: teresab@titledtrendisnc.com \$50.00 each.

Kewaunee Golf Challenge

Build the Future Foundation

Kewaunee Sports Booster Club

May 2015

Greetings Supporters of Kewaunee Athletics and Education:

Please join us for the celebration of our 14th Annual Kewaunee Golf Challenge. Your outstanding participation has assisted in providing summer scholarships for students to attend college programs, mini grants for teachers to provide innovative and new educational initiatives and technology upgrades such as smart boards. The Kewaunee Sports Booster Club supports sports programs. The club funds equipment, site improvements, and materials needed around the sports complex. The Sports Boosters also distribute scholarships and helps with the funding of community projects such as the computerized information sign.

This year's Kewaunee Golf Challenge will be held on Monday, August 3, 2015 at Northbrook Country Club in Luxemburg. We welcome your foursome in making this an event that will again support Kewaunee education and athletic programming. Each golfer's fee is \$120 which includes 18 holes of golf with a riding cart, prizes, refreshments on the course and dinner. Come join alumni, business supporters, friends, and neighbors for a great day of golf and fun. Congratulations to the Class of 1984 for recruiting the most golfers in 2014 for the sixth year in a row! Which class will recruit the most golfers in 2015? We need to give that class some competition! Get your fellow classmates to join us for some great golfing and creating some more lasting memories.

The golf outing is a 4 person scramble with a shotgun start at 12:30 PM. Golfers may register as a foursome or individual golfer by completing the enclosed form and including your registration fee. If you are not golfing, you may join us for dinner at a cost of \$20. Register early to assure your team a spot in the 2015 KGC Golf Outing.

You may also support the event through sponsorship and raffle prizes. Please fill out the sponsorship form and indicate if you wish to support us through a corporate booster, friend of education or hole sponsorship. Please also indicate any donations of raffle items so all are included in our program.

Our registration deadline is July 17, 2015. You are receiving this information as the contact for your team and/or a sponsor. Please complete the enclosed form, and include payment with your registration. **All preregistered paid TEAMS meeting the July 17 deadline will be eligible for the early birdie raffle.** If you have any questions, please contact John Berner at 920-388-3430 or Dick Lamack at 920-388-2329. We look forward to having you join us in support of Kewaunee students and their continuing academic and athletic opportunities.

Yours in Education,

Kewaunee Golf Challenge Committee

FBLA STUDENTS COMPETE

Sixteen Kewaunee High School Future Business Leaders of America members traveled to La Crosse to compete at the State Leadership Conference. The two day conference had workshops and tours for the students to participate in to increase their business knowledge. Amanda Hammett, CEO of Core Elevation, Inc. as well as the author of *Faceplant! Lessons for When Life Trips You Up* shared her biggest fears in life and what it is like to face them head on.

Students competed in a variety of team events such as a Banking and Financial Systems and Parliamentary Procedures. Individual competitive events included Public Speaking, Securities and Investments, Intro. To Parliamentary Procedures, Insurance and Risk Management, and Job Interview.

State PBL (Phi Beta Lambda) Officer Ben Kornowski spoke to the 2,000 high school students in attendance about the collegiate level of FBLA. Ben Kornowski is a former state and local officer of FBLA. He visited with the Kewaunee Chapter and shared his experiences in the organization and the opportunities it offers.

Kewaunee FBLA members who have achieved the honor of representing Wisconsin at National Leadership Conference are Austin Kassner and Paige Kassner. Austin completed a written test in which he placed fourth at the state level in Securities and Investments. Paige placed second in the Job Interview event which included completing interview materials as well as two mock interviews. They will travel to Chicago, Illinois from June 29 - July 2 and will be accompanied by Julie Kinjerski and Jacob Czech.

STUDENT WHO MAKES A DIFFERENCE MARCH, 2015

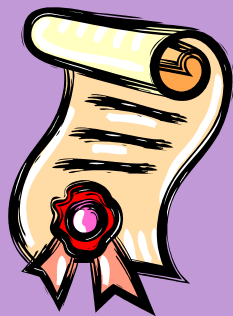

Alyssa Phillips has “gone above and beyond” in her service to the students and staff of the Kewaunee High School learning community.

During this school year, Alyssa volunteered her time and talent to assist several music students with their preparation for solo and ensemble competition. She has helped these students figure out the challenging rhythms through the use of constructive feedback. In addition, Alyssa has provided tutorial assistance to students who are developing their piano playing skills. Regardless of the circumstance, Alyssa constantly works hard and strives to do her very best. In so doing, Alyssa has always been an upbeat, positive role model for the students and staff of KHS to follow.

As a result of her outstanding efforts at KHS, Alyssa Phillips has clearly demonstrated that she truly is a “student who makes a difference.”

“BIG K” AWARD MARCH, 2015

Joyce Tyeptanar has been recognized for her outstanding efforts to fulfill the vision and mission of Kewaunee High School.

Ms. Tyeptanar always “goes above and beyond” in her duties as a school nurse. Not only has she treated illnesses and injuries, she has provided a sincere sense of comfort and caring to the students and staff who are dealing with various health issues. Furthermore, Ms. Tyeptanar has demonstrated her leadership ability through her efforts to promote on-going wellness activities for students and staff. In addition, she is always willing to provide interested students with career information on health occupations.

Most importantly, Ms. Tyeptanar has proven to be a hard-working, dedicated, staff member who is truly student-centered and team-oriented.

Certainly, KHS is better because Joyce Tyeptanar is here!

NEWS FROM THE MUSIC DEPARTMENTS

Submitted by Lynn Curry, Danielle Schroth, Amy Smejkal

Congratulations to Emma Nuechterlein, our March "Kewaunee Middle School Musician of the Month." Emma is a seventh grade percussion player with the Middle School band. Emma is very dedicated to music, and a person who is always willing help others in a very positive way. The entire group knows they can count on Emma to not only learn her own music but she can transfer that knowledge to others. She is part of an excellent rhythm section that forms the glue that keeps the group together and sounding great.

Congratulations Emma, you represent Kewaunee band very well!

Save the Date for the KHS Musical Production!
Kewaunee High School Theater Department will present "The Music Man" on the following dates:

- Thursday November 12th, 7:00 pm
- Friday November 13th, 7:00 pm
- Saturday November 14th, 7:00 pm
- Sunday November 15th, 2:00 pm

We hope you're able to join us in the KHS Plantico Theater as we watch Professor Harold Hill try to win over the residents of River City Iowa with his swindling ways and tricks!

On Saturday, May 8th the Kewaunee Chamber Choir had the opportunity to sing the National Anthem for the Milwaukee Brewers/Chicago Cubs game. The students were selected after sending in an audition CD. Congratulations Chamber Choir on this great achievement!

April's "Kewaunee Middle School Musician of the Month" was Brianna Bertrand. Brianna is an eighth grade trumpet student. Brianna strives to be the best musician she can be. Her hard work shows in her quality playing and at an 8th grade level she can already hit the high A on trumpet! Brianna takes advantage of every opportunity to improve. She has participated in summer lessons, solo/ensemble events, and honors band.

Congratulations Brianna, you make us proud!

Finally, a special congratulations goes out to Benji Worth for being May's "Kewaunee Middle School Musician of the Month." Benji is a 7th grade percussionist. Throughout his years in band he has always pushed himself to do his best and is always ready for a challenge. It has been great to see him grow as a musician. Benji competed at solo ensemble festival on a drum set solo and received a well-deserved first rating.

Congratulations Benji, keep up the hard work!

MORE KEWAUNEE MUSIC DEPARTMENT NEWS:

Dear Parents, Grandparents, and Caregivers of Young Children,

Research shows that children who know eight or more Nursery Rhymes before they come to school have greater success in reading. Over the years, we've found that Nursery Rhymes have been forgotten as this important component of early literacy learning.

You are strongly encouraged to read and sing Nursery Rhymes with your children to give them a good start in literacy learning. Here are a few to get you started, along with some websites where you can find more Nursery Rhymes to read and sing with your child. You are your child's first teachers, and important participants in his/her education.

Baa, baa, black sheep, Have you any wool? Yes sir, yes, sir, Three bags full; One for the master. One for my dame, And one for the little boy Who lives down the lane.	 Jack be nimble, Jack be quick, Jack jump over the candlestick. 	 There was a little turtle, Who lived in a box. He swam in the puddles, And climbed on the rocks.
 Jack and Jill went up the hill To fetch a pail of water. Jack fell down, And broke his crown. And Jill came tumbling after.	 Mary had a little lamb, Its fleece was white as snow. Everywhere that Mary went, The lamb was sure to go.	 One, two Buckle my shoe. Three, four Shut the door.
 Twinkle, twinkle, little star, How I wonder what you are. Up above the world so high, Like a diamond in the sky.	There was an old woman Who lived in a shoe. She had so many children She didn't know what to do.

NURSES NOTES

Hello again! As this school year comes to a close I want to thank you for helping to maintain a safe and healthy school.

All medications, prescription and non-prescription, will have to be taken home by the last day of school this year (June 4th); if not, I will have to dispose of them as I am legally not allowed to keep them at KSD over the summer.

IMMUNIZATION UPDATES

Please be sure to make an appointment for your child's immunizations, especially for students going into Kindergarten and 6th grade for the 2015/2016 school year.

The Kewaunee County Immunization Program can provide vaccines with an appointment by calling (920) 388-7160.

Dates to Remember:

September 17th 2015 -Hearing Screening at KSD for K-3rd Grade

September 29th 2015 -Vision Screening at KSD for PK-3rd Grade

October 27th 2015—Scoliosis screening at KSD for PK-1st Grade

****If your child is not being screened this year and you feel that they should be please contact me to make arrangements****

Please feel free to contact me with any questions or concerns.
HAVE A WONDERFUL AND HEALTHY SUMMER!

Your Nurse,

Joyce Tyeptanar BSN, RN, RCS

thank you!

Stop Summer Learning Loss!

"Summer learning loss is real. It's also counterproductive. When students return in the fall, teachers must spend considerable time reviewing before they introduce new material and help students develop new and advanced skills.

The National Summer Learning Association reports that students lose an equivalent of two months of their grade-level math computational skills over the summer, and students from low-income families also lose the same equivalency in reading achievement. While summer is a time to relax, it is not a time to stop learning."

Read to your children

Twenty minutes a day;

You have the time,

And so do they.

Read while the laundry is in the machine;

Read while the dinner cooks;

Tuck a child in the crook of your arm

And reach for the library books.

Hide the remote,

Let the computer games cool,

For one day your child will be off to school;

Make it fun! You have the choice.

Let them hear their first tales,

In the sound of your voice.

Read in the morning,

Read over noon,

Read by the light of Goodnight Moon.

Turn the pages together,

Sitting close as you'll fit,

'Till a small voice beside you says,

"Hey, don't quit."

KEWAUNEE HIGH SCHOOL

proud tradition...promising future

"BIG K" AWARD APRIL, 2015

Julie Derenne, Jim Kleiman, and Steve Meyer have been recognized for their outstanding efforts to fulfill the vision and mission of Kewaunee High School.

Ms. Derenne, Officer Kleiman, and Mr. Meyer have "gone above and beyond" in their service to the students of KHS.

In their roles as Co- Coordinators of the Every 15 Minutes Program, they have volunteered their time and talent to ensure that the sophomores and juniors get a clear and powerful message about the dangers of drinking and driving. Their valuable contributions to this program have caused many students and staff alike to reflect and improve on their decision-making, especially when those decisions can have a detrimental impact on others.

Most importantly, Ms. Derenne, Officer Kleiman, and Steve Meyer have proven to be hard-working, dedicated, staff members who are truly student-centered and team-oriented.

Certainly, KHS is better because Julie Derenne, Jim Kleiman, and Steve Meyer are here!

STORM COMMUNITY ANNOUNCEMENTS...

NOTICE REGARDING USE OF PUBLIC SCHOOL BUILDINGS!

The buildings will be closed beginning June 8, 2015 to walkers during the summer months to allow our cleaning staff to prepare the buildings for the upcoming school year.

Thank you!

Anyone who has unused musical instruments could donate them to the Kewaunee Instrumental Music Program.

We'll take any and every old instrument! Please contact band teacher Danielle Schroth at dschroth@kewaunee.k12.wi.us or 388-2951 ext 148 for more information.

Thank you!!

Help turn your used aluminum cans into books! How? By bringing your bagged aluminum cans to the West side of the Kewaunee High School. There is an area near the garage in the bus pick-up parking lot for aluminum cans. The money earned is used to purchase books for the school!

Thank you for your support!!

Kewaunee Grade School Getting Students College and Career Ready

Three recent events sponsored by the Door Kewaunee Business Education Partnership helped Kewaunee students learn about numerous careers. *A sincere thank you to the DKBEP for their efforts in organizing such meaningful events!*

On March 24 the Kewaunee Grade School 8th Graders attended Career Day at NWTC in Sturgeon Bay. Prior to the event students were given a Career Skills Interest Inventory which determined which three sessions they would attend. Possible career sessions were Arts/Communication, Finance/Business Administration, Marketing/Sales/Service, Information Technology, Construction, Industrial Technology, Transportation/Distribution, Human Services, Health Science, Government/Public Administration, Agriculture, Hospitality/Tourism, Law/Public Safety, Education & Training, and STEM (Science, Technology, Engineering and Mathematics). Within each session there were multiple speakers. The school is especially proud of the way that the 8th graders represented not only our school, but also our entire community. They were extremely respectful during the presentations and gracious of the time the presenters gave to participate.

On April 10, 5th, 6th, 7th, and 8th graders attended a Mind Trekkers event at Southern Door Schools. Mind Trekkers is powered by Michigan Technological University. Michigan Technological University's Mind Trekkers Science, Technology, Engineering, and Math (STEM) Road Shows bring the WOW! of science, technology, engineering, and mathematics to the hands and minds of K-12 students under the inspirational guidance of the Mind Trekkers team consisting of undergrad and graduate students. Student had the opportunity to see exciting demonstrations and hands-on experiments to grow their interest in the STEM field and see how the areas of STEM are all around us.

On April 28, 4th graders traveled to Sturgeon Bay for the Tool Time event. The goal of the event is to introduce young people to a variety of careers. At Tool Time, students had the opportunity to explore careers in six different career clusters, see a variety of tools and how they are used, talk with the people who use the tools in their work, and discover which skills are necessary to use the tools and do the work.

Literacy Ideas for Families With Young Children

It is **NEVER** too early to start!

Family Literacy

Around the House

Around the House

In the kitchen, talk about the words and letters on cereal boxes and other food packages. Show your child how print carries meaning, such as recipes you follow.

Around the House

In the kitchen, talk about the words and letters on cereal boxes and other food packages. Show your child how print carries meaning, such as recipes you follow.

Around the House

During chores or daily activities talk about how what you're doing is similar to characters in books you've read. Or surf the Internet after reading to learn more about a topic in a book, such as an animal your child wants to know more about.

Around the House

When dressing, ask simple questions ("What do we call the clothes that cover our legs?") and challenging questions, ("Why do you need a coat today?"). Or at the grocery store ask simple questions and questions that require more thinking ("What kinds of things can we make with flour?").

Family Literacy

Out and About

- Say nursery rhymes and tongue twisters when you're waiting someplace or walking to the park. Here's one you can try: Fuzzy Wuzzy was a bear. Fuzzy Wuzzy had no hair. Fuzzy Wuzzy wasn't very fuzzy, was he?
- In the car or on the bus, ask your child to talk about a favorite topic – a friend or family member, animals they are interested in, or a special place. See how many things your child can tell you about the topic.
- Play "I spy" at the grocery store or during errands. Say "I spy something that starts with a _____."
- When you're waiting at the doctor or in a long line, play the opposite game to strengthen basic vocabulary. Give a word and your child names the opposite – up/down, high/low, heavy/light.
- As you drive, ask your child to name letters in signs—"What is the first letter in McDonald's?"
- Talk about how words help you do things – like when you're ordering at a drive thru, explain that you're reading words on the menu. Point out letters in your environment like traffic signs, store names, or letters on magazines at the grocery checkout.

Literacy Ideas for Families With Young Children

It is NEVER too early to start!

Family Literacy

Play

- "In play, adults do not interfere and children relax. Children express and work out emotional aspects of everyday experiences through unstructured play."
- When adults facilitate literacy activity in the context of play, children respond warmly by following their lead and joining in reading and writing activity they might not otherwise have experiences."
- Play is one of the primary ways young children learn about how the world works and learn language.
- Play helps children practice putting their thoughts into words.
- Play helps children think symbolically — that this item stands for this thing ("This box is a rocket ship!"), which helps them understand that words can stand for real objects or experiences.
- Play is how children practice becoming adults and process what they see and hear everyday.

Discover the Magic!

In her book ***Reading Magic: Why Reading Aloud to Our Children Will Change Their Lives Forever***, Mem Fox explains why reading aloud to our children, beginning at birth, will help them become good readers in school.
It is never too late to start!

Here are some excerpts from the book *Reading Magic*:

"Reading problems are difficult to fix but very easy to prevent. Prevention happens ***long before a child starts school***. In fact, the first day of school is almost too late for a child to begin to learn to read. It's as scary as that." p. 13

The First Secret of Reading: The Magic of Print (Chapter Nine)

"Most of us think we know what reading is, and that's not surprising. After all, we can read. But reading is tricky. Reading is complex. Reading isn't merely being able to pronounce the words correctly, a fact that surprises most people. Reading is being able to make sense from the marks on the page. Reading is being able to make the print *mean* something. Reading is getting the message." p. 79

The Second Secret of Reading: The Magic of Language (Chapter Ten)

"Rhymers will be readers: it's that simple. Experts in literacy and child development have discovered that **if children know eight nursery rhymes by heart by the time they're four years old**, they're usually among the best readers by the time they're eight." p. 89

"Children who haven't been read to don't expect print to make sense. And if children don't expect sense, they'll find learning to read very difficult." p. 97

The Third Secret of Reading: The Magic of General Knowledge (Chapter Eleven)

"The more we know about life, the universe, and everything, the easier it is to read." p. 103

"When we read aloud to young children, they gain a vast amount of general knowledge..." p. 104

"It's important for us to take them on as many excursions as possible..." p. 105

"...It's crazy to try to assess children's reading abilities by simply asking them to read aloud. **They might do it successfully yet have no understanding of the text at all, and that's not reading!** We need to chat with them about what they're reading to ensure they comprehend what's happening in the story, to find out if they're in the 'world' of the story, to discover if they're really reading or not." p. 107

"***When an understanding of the world, language, and print act together as a team, reading happens. All three go hand in hand, like inseparable friends. One assists the others. On their own they function badly. Reading is a grand guessing game, and if one of the secrets of reading fails to help us 'guess' or read correctly, the other two kick in to help us along.***" p. 109

President Brian Vogeltanz called the Regular School Board meeting to order at 6:45 p.m. Meeting notices were posted according to WI State Statutes 19.84(1)(b). A Quorum was verified as all Board members were in attendance, with the exception of Kim Kinjerski who arrived at 6:55 p.m..

Tom Stangel motioned, Dennis Shimanek seconded, to adjourn to Closed Session per WI State Statutes 19.85(1)(c) to discuss personnel issues. The motion carried 6-0 on a roll call vote.

At 7:00 p.m. Robin Kinn motioned, Dan Kassner seconded, to return to Open Session. The motion carried unanimously.

The Pledge of Allegiance was recited.

John Pagel motioned, Robin Kinn seconded, to approve the agenda as organized. The motion passed unanimously.

There were no issues for Public Forum or concerns presented to the Board.

Major topics were discussed next.

Karen Trembl explained the CESA 8 Service Agreement for 2015-16 is the contract for our Deaf and Hard of Hearing teachers.

Tom Stangel motioned, Kim Kinjerski seconded, to approve the 2015-16 CESA 8 Service Agreement at a projected cost of \$26,062 as presented. The motion carried 7-0 on a roll call vote.

Board members discussed the requests for Youth Options for the fall semester of 2015-

16. A motion to approve the requests for Youth Options for one of the three courses for student B and four of the 10 courses for student D; and to deny the requests for Youth Options for all courses for students A, C, E, F, G, H, and I was made by John Pagel and seconded by Dan Kassner. Motion carried 7-0 on a roll call vote. Mr. Vogeltanz asked if the High School Counselor meets with students before they apply for these courses. Principal Holtz replied stating the counselor meets with them when they turn in their forms for the courses. He will inform the students that they need to take the prerequisite courses first.

Policy EF-1 and Procedure EFF were discussed. Mrs. Dax explained the reason for the modifications to the policy and procedure are due to the increase in food costs to the district, and to clarify the meal collection process since we now use Infinite Campus software.

A motion to approve changes to Policy EF-1 and Procedure EFF as modified was made by Dennis Shimanek and seconded by John Pagel. The motion carried unanimously.

President Vogeltanz read the Consent Agenda Items as follows:

1. Minutes of February 16, and March 2, 2015.
2. Payment of the bills in the amount of \$475,414.04.
3. The resignation of Rod Lohrentz, as 7th grade Volleyball coach; and Larissa Kroll as Assistant Middle School Play Director.
4. The new hires of Danielle Kudick as Middle School Track coach, salary of \$1,500; Larissa Kroll as Middle School Play Director, salary of \$750; and Stacy Johnsrud as Assistant Middle School Play Director, salary of \$600.

Dan Kassner motioned, Robin Kinn seconded to approve the Consent Agenda Items as read. The motion carried 7-0 on a roll call vote.

Superintendent Innis informed the Board the date for the fourth annual strategic plan review has been set for April 24, 2:00 p.m. until about 7:00 p.m., and a meeting regarding curriculum for the CTE program was held with some staff and NWTC members and they now have an outline for the curriculum. Mr. Innis summarized the format for the upcoming referendum open house with the Board.

Board members, Mr. Innis, Mr. Holtz, and Mrs. Trembl discussed the high school intervention period. Currently, the after-school Encore program is successful for the students available to take it at that time. Many students are involved in other activities after school or don't have transportation, to take advantage of Encore, which is one reason the Board would like to see it offered during the school day. School schedules, training teachers, determining student needs, defining the intervention/

enrichment program and looking at models for it are all concerns in addition to a time line for implementation. Mr. Holtz will report back to the Board at the end of Trimester 1 next year with proposals.

Kim Dax, Business and Human Services Director reported to the Board next. Tax money is being received and next week the state aid payment should be coming in. She also said Fund 80 was the big topic at the state conference she attended. Fund 80 covers community service programs and we currently do not have Fund 80 in our budget.

Dan Kassner read one thank you card received by the Board over the past month.

President Vogeltanz announced the dates for future Board meetings:

- March 18 5:00 p.m. Referendum Tour/6:30 p.m. Open House
- April 6, 6:30 p.m., Policy/Education Committee Meetings if needed
- April 7, vote for School Board and Referendum
- April 27, 7:00 p.m., Regular Board Meeting, Board Room

He also said the meetings with the various clubs and organizations he's had regarding the referendum went well, and tomorrow he and Mr. Innis will be meeting with the County Board to share information with them.

At 7:50 p.m. Dan Kassner motioned, Kim Kinjerski seconded to adjourn the meeting. The motion passed unanimously.

2. Payment of the bills in the amount of \$1,748,036.60

John Pagel made a motion to approve the Consent Agenda items, seconded by Dan Kassner. The motion carried 7-0 on a roll call vote.

Superintendent Innis introduced Tad Peterson and Peter Helander from Heartland Technologies, who shared a presentation with the Board outlining technological services and products they could provide to the district. Kim Dax added Heartland has been in the district meeting with staff, conducting surveys, and assessing our current network and equipment. Karen Treml added our staff could use more help with using technology and Heartland has the capability to provide that type of training. Mr. Peterson will develop a formal proposal for the Board to review in May.

Mr. Innis asked the Board for their thoughts on seeking donations in relation to the referendum. After brief discussion it was determined the district should pursue donations and Mr. Innis will check with other school districts on processes they used to obtain donations. A policy for recognition of donors should also be developed.

Supt. Innis informed the Board that a core team has been meeting with EUA and Miron to begin working on the design and planning phase of the referendum project. On May 1, select staff will meet with EUA and Miron to discuss their future classrooms or space needs. A tour of other facilities with similar upgrades and construction is planned for May 12 and he invited Board members to attend as well.

Mr. Innis explained the Strategic Plan update was held last Friday from 2:00-7:00 p.m. Three goals were created which he will bring to the Board in May for approval. He also reported the superintendents of the three county schools, with assistance from NWTC, will be writing a charter and forming an advisory council for sharing instructional resources among each district.

Lastly, it was agreed by the Board that the microphones in the board room can be removed if not needed for recording the meetings.

Kim Dax reported to the Board next. She is hopeful to present a balanced budget for next school year. The Referendum bonds will be issued May 18 and is looking into investment opportunities for the funds. She is also looking into options for helping with the release of the funds as the project gets underway.

Dan Kassner read one thank you card received by the Board.

President Vogeltanz announced the dates for future Board meetings:

May 18, 7:00 p.m., Regular Board Meeting,
May 20, 7:00 p.m., Senior Awards Night
May 31, 2:00 p.m., KHS Graduation

At 8:25 p.m. Robin Kinn motioned, Kim Kinjerski seconded to adjourn the meeting. The motion passed unanimously.
