

PRE-SCHOOL SCREENING SENECA GRADE SCHOOL DISTRICT 170

Preschool screening for all Seneca Grade School District 170 residents who are 3, 4 and 5 years of age, will be held on Tuesday, March 8th and Wednesday, March 9th, 2022. The screenings will be scheduled from 9:00 a.m. to 2:30 p.m. All children who will attend preschool during the 2022-2012 school year, must participate in the screening. To be eligible for kindergarten, a child must be five years old on or before September 1, 2022. To be eligible for preschool, a child must be three on or before September 1, 2022. Preference will be given to those children who are older, should space be an issue. Although any preschool age child may make an appointment for a screening, only students living in Seneca Grade School District 170 may register for classes.

A birth certificate from the court house, not a hospital certificate, will be required at the time of screening/pre-registration. A physical, dental exam, and immunization record must be completed before school begins in the fall. Forms will be given at the screening.

Early screening of preschool students allows the district to organize the preschool classes and transportation schedules. Parents will also need to attend the new student registration on July 22nd. This will help ensure the new students' first days of school go as smoothly as possible.

To schedule your child's appointment or any questions concerning the screening, please contact Tiffany at (815) 357-8744 x2102, Monday through Friday from 8:30 to 3:30 p.m. Please share this information with family, friends and neighbors.
