March 2, 2022

Dear Parents/Guardians:

The Saginaw Chippewa Academy is now able to offer onsite COVID-19 testing. If your child has any COVID-19 related symptoms or has been exposed to someone with COVID-19, you may call the school to **schedule** a COVID-19 test. Please be aware that testing is limited to students who are currently enrolled in SCA and meet testing criteria. In order for your child to receive a COVID-19 test, a parent/guardian consent form must be signed.

If you have any questions, or would like to schedule an appointment for your child to receive a COVID-19 test, please call the SCA office at 989-775-4453.

Chi-Miigwetch,
SCA Staff
