Introduction Letter By Principal Filiccia

Hello LMS Families,

My name is Steve Filiccia and I am very excited to introduce myself as the new principal of Lincoln Middle School. I am honored that I was chosen to lead such an amazing school and school community. I have made it my mission to meet all last year's staff and will do the same with all returning/incoming students.

I come to you with 24 years of experience as an educator all in Van Dyke Public Schools. I have been an administrator at every building in the district. I served as Carlson's interim Principal, McKinley's Assistant Principal, Lincoln Elementary's Principal and most recently Lincoln High School's Assistant Principal. That being said, if you're not new to the district I have hopefully had the opportunity to meet your family. If I have not I am excited to introduce myself in person.

I wholeheartedly believe that great schools are the result of amazing teachers who build true relationships with their students. The district and I will provide staff with the tools they need to continue to be successful and help your children meet their full potential.

I am thrilled about this school year and look forward to working with NEW Assistant Principal Van Daugherty to ensure that the students of Lincoln Middle School are SAFE and have a school year filled with "best practices" instructionally! Please get involved with our school (Newly Formed) PTA to guarantee that your voices are heard and know that my door is always open.

Sincerely,

Mr. Filiccia
