## LOCKER ROOM ETIQUETTE AND DISPOSAL OF PERSONAL ITEMS

I \_\_\_\_\_ hereby acknowledge the following locker room Rules/Regulations.

1. During a physical education class or athletic practice, all valuables and/or personal belongings will be placed in your locker room assigned locker. **These will be secured with your combination lock.**
2. All personal hygiene items will be kept in assigned lockers or gym bags.
3. Absolutely NO FOOD OR DRINK will be allowed in locker rooms. NO GLASS ITEMS. If food or drink is found it will be disposed of immediately.
4. It is the school district's recommendation that all gym and athletic practice clothing be taken home daily to be laundered. This is a good hygienic practice and is strongly encouraged. Highly contagious skin infections can be acquired by soiled clothing.
5. Locker rooms will be monitored on a daily basis by coaches or assigned staff members. Any item left out (electronics, clothing, personal hygiene items, hair care) will be collected and secured. After seven (7) days all articles will be disposed of. Absolutely no exceptions.
6. Monthly, all items must be removed from lockers. This is for our janitorial staff to clean and disinfect the locker rooms thoroughly. **Items left in lockers will be collected and disposed of immediately**; Students will be notified well in advance through morning announcements that lockers will need to be cleaned and secured.
