Tenino High Beavers and Families

It's here! The **2023-2024 school year!** I want to welcome all of our Beavers back to school! I am looking forward to this year and the things I know we will accomplish. Together, we will engage in activities, discussions, and initiatives that help students prepare for a quality life after high school.

I am honored and humbled to begin my 2nd year leading Tenino High School as your Principal and I'm pleased to introduce Jennifer Van De Wege as our new Assistant Principal. The opportunity to work alongside such amazing students, dedicated teachers and staff, and supportive families is a true blessing; we make our school a vibrant and nurturing environment where every student can thrive.
