Vice Chair/President  
Zone 4

Forrest Bergin  
Legislative Representative  
Zone 5

To our Tenino Community,

We have a lot to celebrate this year! We are off to a fantastic start and our students are excelling across all grade levels. I'm proud to share that our principals have been working hard to provide the best educational opportunities for our students, with assemblies, activities, and high levels of learning.

The support of our community makes Tenino a fantastic district for our students to learn and grow. We take great pride in the care that we show for each other, and we know that remaining focused on the shared goal of our students' achievement makes great things possible. We also know that staying positive gets us positive results—that's why we celebrate our successes, our amazing staff, students and community. If you have any questions about our district, please contact me at 360-264-3420.

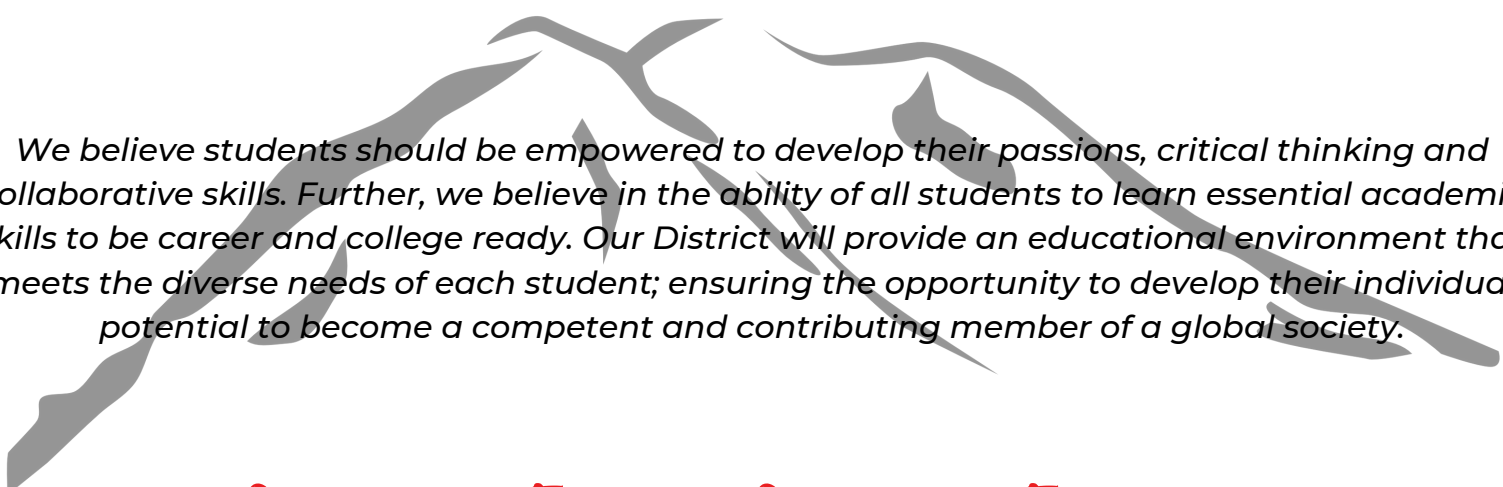

All the Best,

Clint Endicott, Superintendent

Grace Hiatt  
Student Board Representative  
THS Junior

# OUR MISSION

*We believe students should be empowered to develop their passions, critical thinking and collaborative skills. Further, we believe in the ability of all students to learn essential academic skills to be career and college ready. Our District will provide an educational environment that meets the diverse needs of each student; ensuring the opportunity to develop their individual potential to become a competent and contributing member of a global society.*

*Learning Today, Leading Tomorrow*

## SCHOOL BOARD VALUES & BELIEFS

**Students:** Every student deserves a high quality educational experience. We commit to encourage each student's dreams, potential, drive, and skills by providing opportunities to become career and college ready. We will make decisions based on what is best for our students.

**Teaching:** We commit to support staff in the rigorous application of research based practice, which should be relevant, engaging, and respectful. All students should be challenged and expected to reach their potential.

**Learning:** Each person in the organization should be responsible for their own learning and growth. We acknowledge that each student learns differently; staff will take the responsibility of meeting the needs of our diverse learners. We commit to expanding and improving programs and program offerings to meet the needs of students.

**Community:** The board and administration will actively engage with community on an ongoing basis to provide opportunities for meaningful involvement.

**Communication:** The board, district, and schools will promote positive virtues of the Tenino School District. We will communicate proactively by providing current and meaningful information to all stakeholders across all platforms.

**Facilities:** All members of the district community will take pride and ownership of district facilities. The board commits to maintaining and improving our facilities.

**Fiscal Resources:** The board is committed to the prudent use of our monies to support students and student achievement. We will look to expand revenue beyond state, federal, and local funding.

**Extra-Curricular Activities and Athletics:** The board supports the role that extra-curricular activities and athletics play in enhancing the development of well-rounded students. Students and families will be encouraged to actively participate in athletics and activities.

# PARKSIDE ELEMENTARY

Principal, Mr. Brock Williams

## A Parkside update from Principal, Mr. Williams

I'm so proud of our students, their families, and our staff for making sure that our students got off on the right foot in September. We saw many of our Parkside traditions start to return and they are helping us make great memories for our kids. The Back-to-School Night and Ice Cream Social were a huge hit. Over 83% of our students and families attended. We're looking forward to a great year!

## Putting Books in Students' Hands

Thank you to the many donors over the years that have donated new books to our school to be used for our free book give always and to add to our book vending machine. On Back-to-School Night, South Sound Reading volunteers, Gaylen and Carol Wood passed out 228 free books. At our District's Beaver Bash, our staff passed out another 50 books to students. Students are starting to redeem golden coins they received for getting an award at our Friday Assemblies in our Book Vending Machine. It's exciting to see kids drop their coin in the machine and then pick a book that they can call their own. Thanks again for supporting all our kids and helping us turn them into readers!

## New Parkside Staff

Mrs. Hart is keeping the music alive and teaching in our music program this year. Mrs. Swidecki and Mrs. Whalen are working in our remedial programs to help students become successful learners. Mrs. Mattson is our new school counselor working with all of K-5 students in the Tenino School District. Morgan Masters is our new SLP working with students that need Speech and Language assistance. Morgan is a former Parksider who went through the TSD school system (K-12) then went off to college and has returned to her roots. We are so excited to see a Penguin return! Melisa Sevall will be one of PES and TES's Dedicated Substitutes this year. The consistency she brings to our classrooms each day is instrumental in our students' success. We are so thankful to have these six quality employees joining our team and working with our students each and every day. Welcome to Parkside!

# TENINO ELEMENTARY

Principal, Mr. Charly Harrington

## Message from the Principal

Here is a big, hearty thank you to all our families for your support in a great start up to the school year. During the month of September, our teachers established daily routines designed to foster positive behavior and strong academics. As we begin the month of October we look forward to building on that positive momentum. Please help us by staying in touch with your child's teacher and encouraging good routines at home.

I also want to thank our PTSA for sponsoring a very successful Family Fun Fitness night on Friday, September 30. We had over 60 students from Tenino Elementary and Parkside enjoy an evening of fun and exciting activities. This is just one of several activities planned for this year. Consider joining this fantastic group of parents and becoming a member of the PTSA and contributing to the success of our students and our school.

Again, thank you for all your support and let's keep working together for all our students, teachers and families. Happy Fall! - Mr. Harrington

FALL  
festival

The TES Teacher Spotlight is on...  
Mr. Tim Edmonds.

Tim has been a teacher at TES for 10 years. Through the years, Tim has taken on numerous teacher-leadership positions including serving on our Building Leadership Team, facilitating our Positive Behavior Team and serving as a mentor to new teachers. This school year, Tim has stepped into the facilitator role for our school's Math Committee. Thank you so much, Mr. Edmonds, for all your hard work and dedication to our students and staff!

SUPER  
STAR

# TENINO MIDDLE SCHOOL

Principal, Mr. Rand Hodgson

## Message from the Principal

Principal's Message: We're so happy to have everyone back for another great year at TMS. We have lots of great new electives to offer the students and are bringing back great activities for all students. We will be hosting several activity nights this year where students can socialize, sports are back in their normal seasons, knowledge bowl and battle of the books will be back this year, and we're excited to be offering an e-sports team for our 7th and 8th graders.

## STAFF SHOUT OUT!

A great big thank you to all the TMS staff and volunteers who went up to CISPUS and helped our 6th graders have a great camp experience. They really put in the extra hours and extra care for our students during those 4 days and 3 nights. And a HUGE thank you to Mrs. Schall who planned, organized and ran CISPUS! Thank you so much!

## STUDENT SHOUT OUT!

Tanis VonBargen (senior) for his amazing leadership at CISPUS. He led students in properly raising and lowering the flag each day and also planned and led the campfire program and skit night. He was amazing.

## STUDENT SHOUT OUT:

Lochlyn Salisbury: The Cispus Challenge Course Coordinator, Billy, was facilitating her group. He called Lochlyn out as a "Godsend" and went on to gush at how he would train her and give her a challenge course group the next day. She displayed excellent leadership, kindness, and cool-headedness far beyond her years.

# TENINO HIGH SCHOOL

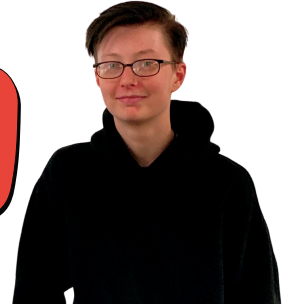

Principal, Mr. Scott Hyder

Secondary Program Administrator, Ms. Lindsey Bullough

*Mr. Hyder with exciting updates:*

Life at Tenino HS took steps to a more everyday experience this year with assemblies, clubs, and social gatherings. Students are also engaged in rigorous and relevant work in the classroom.

You can stay up-to-date with all the latest happenings by going to our Facebook page or school website. Thank you for being a Beaver Fan.

Cheyenne Rossow is a senior this year. She is taking a gap year next year to discover career options. She loves playing soccer and is the mid-fielder on the high school soccer team. Cheyenne enjoys being a part of the leadership class and thrives on completing projects. She is quick to develop ideas that promote school spirit and can be found working as a TA in the front office. Ms. Stiles says she always has a smile and is willing to do any task that's asked of her. "She is a go-getter." Ms. Stiles also states that she is ambitious and motivated. Mr. Montgomery, soccer coach, says, "she's one of three captains of the team and is very positive and supportive of her teammates."

Ares McGlynn-Myrick is a senior at THS. At the beginning of the year, Mr. Bamer requested workers to help at games. Aries replied and has been an active person working as the gate person. Ares is the smiling face you see when you pay to enter one of our games. Mr. Bamer states he is very responsible, is early for work, stays until the end, and is willing to do more than asked. Ares has been accepted into Montana University and will be studying Wildlife Conservation. Ares collects animal bones and enjoys hiking. He also has two cats and one dog that he likes. One of the cats is trained to be on a leash and go for walks. If that wasn't enough, put him in the kitchen, and he'll craft a fantastic meal.

**MS. HUDAK**

Thank you to Dawn Hudak. Dawn doesn't have her own class or a subject that she teaches at THS. She is every teacher and every subject because she is our dedicated substitute teacher. Tenino is very fortunate to have dedicated substitute teachers on staff. Each building has at least one, and it's a commitment to serving students at TSD. Dawn serves THS and is a valued member of the staff at THS. But, don't call her a substitute teacher because she is as engaged as any teacher in knowing students names, working with them, and working with staff. Besides filling in when teachers are out, Ms. Hudak is the cross-country coach in the fall and track coach in the spring. Ms. Lindstrom, office secretary, says she is very enthusiastic and has developed excellent relationships with students. She is always smiling and is willing to help wherever and whenever. This is her seventh year working at Tenino High School. She says her favorite part is working with students and getting to know the "real them" outside the traditional classroom setting. She likes to read and work on new craft projects in her spare time.

# STUDENT SERVICES

## IN THE TENINO SCHOOL DISTRICT

### WHAT IS TITLE 1, PART A?

Title I, Part A is a federally-funded program designed to provide supplemental educational services for children who are most at risk of failing to meet the state's student academic achievement standards in English Language Arts (ELA) and mathematics.

Students in kindergarten through 5th-grade at both Parkside Primary and Tenino Elementary School benefit from the supplemental education services (SES) provided by Title I funds in Tenino School District. These opportunities allow schools to provide needed interventions to ensure students meet academic standards. Program support is given in a variety of ways such as Kindergarten readiness, differentiated instruction, small group interventions, and tutoring.

Parents can influence the success of their child more than any teacher or federal program. Parents of students that are Title I qualified enter into a School-Parent Compact. This compact includes the school, parent and student role in regards to student success, communication about student progress and how families and schools can develop a partnership to assist in student growth.

### HIGHLY CAPABLE PROGRAM

Tenino School District recognizes that students have unique academic needs and for some of our students, they need structured, advanced, academic learning opportunities. Tenino is committed to providing students these advanced academic opportunities in all grades. Nominations are accepted throughout the school year and are reviewed twice a year for Highly Capable services.

Parents, teachers, staff, students or community members may nominate any Tenino School District student in grades K-12 to participate in evaluation for Highly Capable services. If you wish to nominate a student, please contact Tani Houk, Highly Capable Coordinator, at [houkt@tenino.k12.wa.us](mailto:houkt@tenino.k12.wa.us) or 360-264-3417.

# PROJECTS AROUND THE DISTRICT

THS Fastpitch Field  
Hydroseed Application,  
Sprinkler System, Improved  
Drainage and Outfield  
Improvements.

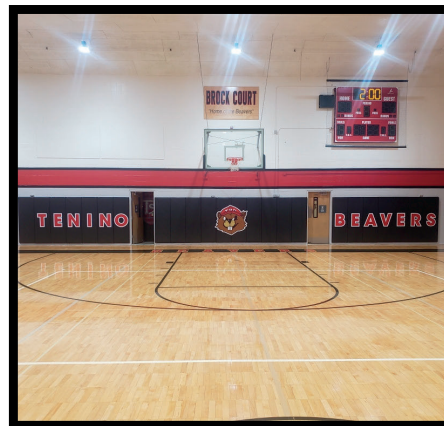

Beaver Stadium  
Rain & Wind Screen at  
Beaver Stadium and new  
lighting in the stands. Also,  
Soccer bench shelters!!

## THS Gym Facelift

The gym at THS received a big facelift over the summer! The whole interior was repainted, floor refinished, upgraded lighting and finally new pads on the walls.

Follow project  
progress on  
our website!

## UPCOMING...

\*Reader Board  
Replacement at the  
District Office.

\*Covered Outdoor  
Learning Area at  
Parkside

\*New Parent Drop  
off/Pick up Site at  
Parkside

### Notice of Non-Discrimination

*The district will provide equal educational opportunity for all students in all aspects of the academic & activities program without discrimination based on race, religion, creed, color, national origin, age, honorably discharged veteran or military status, sex, sexual orientation, gender expression or identity, marital status, the presence of any sensory, mental, or physical disability, or the use of a trained dog guide or service animal by a person with a disability. The district will provide equal access to the boy scouts and other designated youth groups. The following positions have been designated to handle questions and complaints of alleged discrimination: Title IX and Civil Right Compliance Coordinator or Section 504/Special Services Coordinator 360-264-3400 PO Box 4024, Tenino, WA, 98589.*

*Please notify the Tenino School District office, 360-264-3400 if you need district or school communications translated into another language.*

*Notifique a la oficina del Distrito Escolar de Tenino, 360-264-3400 si necesita una escuela o escuela en otro idioma.*
