Greenville Community:

Our new Superintendent Michael Bennett starts on Monday March 7, 2022. Please join me in welcoming him to our school and to the Greenville community. Mike brings a wealth of knowledge and outstanding experience as a teacher, as well as an administrator to continue moving our school district forward.

This also means that we are saying farewell to our previous, and currently interim, superintendent Tammy Sutherland. We thank her for the decades of service that she has provided to our community and wish her all the best as she embarks on her retirement path.

Warmly,

Tracy Young
