A graphic for a PTA election. It features a yellow box with a black border. Inside the box, at the top, is a white square with a green checkmark and several blue paw prints. Below this, the text 'It's PTA Election Time!' is written in bold black letters. Underneath, a paragraph of text explains the election process and provides contact information. The entire graphic is surrounded by blue paw prints.

It's PTA Election Time!

Have you ever thought about becoming more involved with the PTA to support the students of East Rochester School? Now is the perfect time to act! MTSS Presents: ERS “One-and-Done Olympics”

We were very excited to hold the opening ceremonies of the ERS One-and-Done Olympics on Thursday morning! The goal of this rollout is for classes to work as a team to earn gold medal coins for following teacher directions the first time they are given. Students are working together to create class team banners to display on classroom doors. As classes earn coins for whole-class listening the first time directions are given, the Olympic medal graph in the front hallway will be updated. This rollout runs

*from March 4th-16th, and we will hold closing ceremonies on the morning of March 17th. Classrooms that have earned the most medals for “One-and-Done!” listening will be awarded **bronze**, **silver**, and **gold** medals!*

LET THE GAMES BEGIN!

**Stay tuned as we share the growth
each team makes next week!**

I would just like to say a heartfelt thank you to all of the students and families that participated in Kids Heart Challenge this year! East Rochester School raised a total of \$5569.99!! That is a record for the most money we have ever raised. The kids were so excited about all the good things this money will do for the American Heart Association.

I would also like to extend an extra thanks and congratulations to our top raiser this year Farrah Gagnon in Mrs. Rourke's class. She raised \$1397.17!! What an incredible job Farrah...we are all so proud of you!

I will be closing out the order and ordering the prizes. They will be sent home as soon as they come in.

Thank you again for making Kids Heart Challenge such a huge success this year!

We have a great opportunity for a few caring, calm people to work at the school as paid paraeducators.

That's right- you can help at school, do rewarding work, work while your child or children are in school.....and get paid! (alright, you won't be making as much as Brady or Gronk, but there is money involved.) If you are not interested or able, perhaps you know someone who is.

Helping the school helps your child!

Contact Christine Hebert at hebert.c@sau54.org for more information about applying. Thanks
