## Ice Fishing with Region 9

By Lisa Hutchins, TWKDMS Alt Ed Teacher

This trip was amazing! The high school students were outstanding guides and made our middle school students feel right at home. My students learned communication skills, how to overcome adversity, and about activities they could do during the Maine winters. These are lessons that will last them a lifetime! Thank you Region 9 Future Guides, you really made a great impression on our middle school students!

# Mrs. Johnston's Class

Olympic medals were earned for work and behavior before break.

Game shots, thanks to Mr. Art Chamberlain

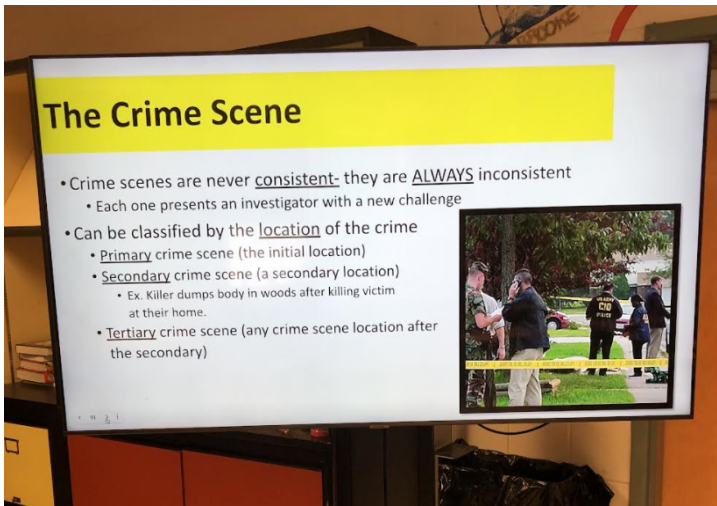

## Then and Now

## Great Reading Time in Miss Rines' Class

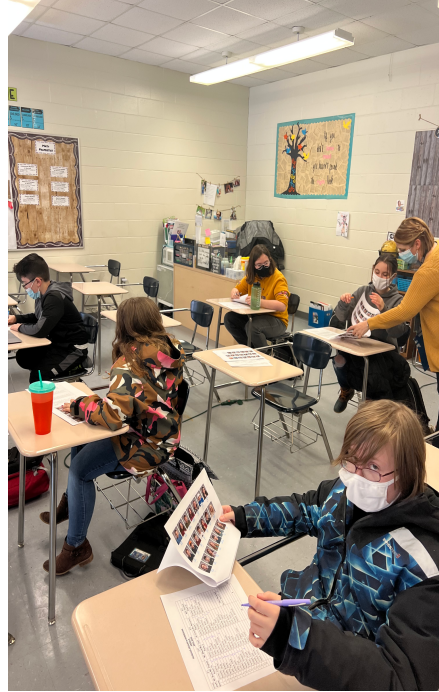

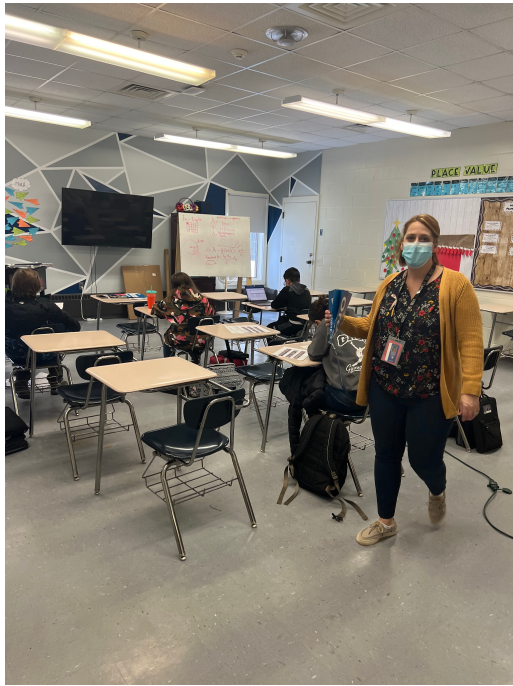

## Forensics Class at DHS

## Unified Basketball is underway at TWKDMS!

## Student volunteers helping out with yearbook

Brianna Johnston's social skills group earned some science time so they made tornado simulators! Thanks to awesome DES custodian, Chris, for getting them the bottles from home!

## Preserving a Piece of History
