The Quality Science and Mathematics (QSM) Grant Program was established for the purpose of providing Louisiana public school teachers with non-consumable instructional materials and equipment in math, science, and STEM. Full-time classroom teachers assigned to teach math, science, or STEM courses in a PreK-12 public regular education program including public charter schools are invited to apply.

Applications must demonstrate that the grant materials will enhance the quality of instruction for regular education students enrolled in mathematics, science or STEM classes within the normal school day. After-school, Talented & Gifted, and Special Education (SPED) programs are not eligible.

**\$1,000 grants are available for
Pre-K - 3rd grade teachers and up
to \$1,500 grants for
4th - 12th grade teachers!**
