## Message from our principal

Greetings Tigers!

March is here and we are proud to say we have been testing our AZELLA tests and working really hard in our classrooms to be the Best and Brightest! As we get ready for our Spring State testing AASA, let's remember the importance of coming to school everyday and trying our Best! Our testing theme is Star Wars: Let the scores be with you! Tigers it's time to ROAR and SHINE!

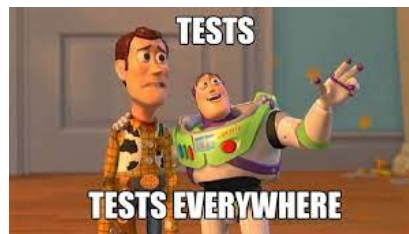

## Dear Parents,

We need your help! March and April are our Big Testing Months and we ask for your assistance. Please, make sure your child gets a good night sleep and eats a healthy breakfast, Make sure your child is prepared and remains positive. Remind students that testing is just part of their education and its a chance to show what they have learned. With your support and involvement, Your child will be on their way to a bright future!

### We encourage you to please,

- Do not schedule appointments or out of town trips during testing weeks. If you already have, we suggest rescheduling for another day after testing days.
- Do not check out your child early from school on testing days.
- Please make sure your child is at school on time(7:45AM), well rested, and ready to do their best.
