CLASS SONG
(Tune: "For Me and My Gal")

My country's calling for me and my pal.
The world is waiting for me and my pal.
Everybody's been knowing,
That we soon will be going;
And for years we've been toiling
To prepare for this day.
We're graduating from Lomira High.
Our country's asking and we shall reply,
And after we get out into the world
And victory is ours,
There'll be freedom for me and my pal.

Motto: "Impossible is Un-American"

Flower: White Rose

Colors: Blue and White

ior-Senior banquet which was held at the Hotel Retlaw in Fond du Lac.

As seniors we were minus a few students. Betty Jaeger and Howard Schneiter moved to Fond du Lac and Bernice Lange and Merlin Mayer discontinued school to stay at home. At the beginning of the second semester Eileen Martin was forced to leave our class due to a serious illness. The class missed her very much, although in spirit she was always with us. At the same time Milan Greget left for military service. Jerry Muehlius was chosen as our president and he was also chosen prom king by this year's queen. On April 29, the senior class play, "Spring Fever" was presented. The seniors did very well in all the extra-curricular activities.

And so our high school career comes to an end. May the class of '43 be as progressive in whatever field they choose as they were in Lomira High School.

CLASS WILL

We, the Senior Class of Lomira High School, County of Dodge, and State of Wisconsin, being of unsound mind and disintegrating memory (after four strenuous years) do hereby make, publish, and declare this as our last and best will and testament, hereby revoking all former wills, boquests, and devices of whatever nature by us already made.

Our dignity and good sense we leave to the Junior Class; may they apply it with rapid and spreading strokes.

To the Sophomore Class we leave our quick wits, rapid elucidations, and best of all, our ability to play hooky without having to make up double for the lost time.

To the high school infants (freshmen) we leave our utmost sympathy and our ability to absorb English, science, math, and all those studies which are beyond the comprehension of their undeveloped mental capacities.

As individuals, we make the following personal bequests:

Marion Seefeldt's popularity with the opposite sex to Myrtle Zuehlke.

Mary Smiljanic's studious attitude to Karl Ewerdt.

Jean Unferth's ability to strut to Bernice Bintzler.

Mark Stuck's natural curly hair to Gerald Sterr.

Agnes Zehren's good bookkeeping marks to Calvin Seyfert.

Elroy Luedtke's ability to draw to next year's art editor.

Eileen Martin's continual giggle to Mary Lehn.

Jerry Muehlius' popularity and his good sportmanship to Calvin Kindschuh.

Johanna Petri's sense of humor and dancing ability to Elaine Eisenhut.

Doris Scharf's driving ability to Bernice Ries.

Dolores Priest's friendliness to Arlene Isken.

Marvin Priest's "corny expressions" to Rose Zehren.

Wesley Priest's "sloppy" hook shots to next year's forward.

Doreen Wolf's basketball ability to Elaine Tolzman.

Allen Schaumberg's success as business manager to next year's manager.

Norman Grantman's good taste in clothing to Marvin Spradau.

Lenard Hoff's oratorical ability to Herman Rucks.

Calvin Hundertmark's "hearty laugh" to Bob Hayes.

Rollin Kindschuh's "sneezing technique" to Jeanny Smiljanic.

Milan Greget's "gift of gab" to Ray Schwefel.

Having bequeathed all that we possess, have possessed, and expect to possess, we hereby appoint Mr. 'Sheski as executor of this, our last will and testament. In witness whereof, we have hereunto set our hands and seals this 28th day of May A.D. 1943.

CLASS PROPHECY

It was while I, Johanna Petri, was singing with the country's most popular orchestra, under the leadership of Norman Grantman, which was making a tour of the service camps, that I saw and heard about my former classmates.

Traveling southward toward Oklahoma on the Transcontinental Airlines, we were surprised to have Doreen Wolf as our stewardess and Milan Greget as our pilot. Doreen told us that she had the privilege several weeks ago of visiting with Allen Schaumberg, enroute to Hickville's Veterinarian Convention.

We finally arrived at an Oklahoma army air base. Stepping out of the plane we saw Sgt. Marvin Priest boarding a plane carrying supplies to Africa. Entering the recreation hall we heard the last strains of the famous opera, "Madame Butterfly," being sung by Marian Seefeldt. Several minutes before our show was to begin Eileen Martin, the wife of an army major, rushed up to us and invited us to her penthouse

for lunch after our performance. It was at this time that she told us of her marriage by Justice of the Peace Rollin Kindschuh.

Immediately after our act we took the plane for New York City. On our way we tuned in to Station RUOK and heard about the quality of Avon products being broadcasted by Lady Doris (Scharf). While on the plane we purchased the "New York Times" which we discovered was being edited by Gerald Muehlius. Arriving at our destination we immediately went to one of Broadway's theatres where we saw Jean Unferth starring in "Gone With the Breeze," one of the nation's most popular plays. Between acts we were entertained by a ballet dancer; to our surprise, it was our former classmate, Agnes Zehren. After her performance she told us of Elroy Luedtke's success at Harvard studying post war problems.

Looking at our watches we found it necessary to hurry back to catch our plane which was bound for Salt Lake City. Many passengers were boarding the plane and directly ahead of us was a very familiar looking person. Observing this man more closely we saw that it was Wesley Priest, who told us that he was a traveling salesman for R. U. Sluggish Vitamin Co. Chatting with him on our journey we learned that Dolores Priest was an army nurse doing her share for victory at Guadalcanal.

Upon our arrival at Salt Lake City we went to the army camp where we saw Pvt. Mark Stuck peeling potatoes while on K.P. duty. Finishing our show we called a taxi and were amazed to find Mary Smiljanic as our able taxi driver. We rode as far as a soda fountain down town. Entering the store we sat down at a table. The waiter came to take our order, and we were again taken by surprise to find that this soda-jerker was none other than Lenard Hoff. He told us his employer was Calvin Hundertmark, who owned a chain of ice cream parlors throughout the country.

After leaving this store we again boarded our plane for the next camp. So, you can see that the Class of '43 really has made progress since leaving good old Lomira High School.

The opening day of school brought twenty-five Juniors back to the halls of L. H. S. but we have lost a few members on the way. This last year James Gonring moved to Milwaukee, Herbert Jaeger moved to Fond du Lac, and Norman Krueger withdrew. Santa Curcurio from Chicago, Connie Marrese from Mayville High School, and Dorothy Rucks from Senior High School in Fond du Lac, have joined us.

We have all been quite active in school activities. All the boys have participated in some athletics. Gordon Rucks, Bill Kindschuh, Gerald Sterr, and Calvin Kindschuh went out for football. Gerald Sterr, Joe Schlaefer, and Calvin Seyfert participated in basketball. Some of the boys have

also gone out for basketball.

The girls, too, have taken part in athletics. Beaty O'Hearn and LaVerne Hefter have represented us on the girls' basketball team. Most of the girls have taken part in baseball and volley ball.

We have been well represented in forensics by LaVerne Hefter in humorous declamatory, Harriet Luft in serious declamatory, and Dorothy Rucks and Arlene Isken in extemporaneous reading.

JUNIOR PROM

Amidst beautiful decorations and soft lights King Gerald Muehlius and Queen Sylvia Elsinger proudly led the grand march on May 5.

Arch Adrian and his Men of Note provided the charming, yet familiar, music for this great event.

Decorations were not as elaborate as usual due to present conditions, but we did have a beautifully decorated prom. Streamers of light and dark blue extended from the ceiling with a few silver stars peeking from among them. From the rear of the gym a large star threw its beams upon the dreamy dancing couples, making everyone feel as though he were really dancing 'neath a "Blue Heaven."

Refreshments were served in a gaily decorated tea room.

The success of the prom was due to our general manager, Joseph Schlaefer, and all the committees who worked so well with him.

At the stroke of nine, September first, 1942, old Lomira High School once again resumed its familiar air of students hurrying and scurring everywhere. Although it was a bit confusing at first, the sophomores finally got used to the idea of being sophomores and not "greenies" anymore, "Today I am a sophomore," was a phrase commonly heard on the opening day of school.

Being sophomores was not the only new thing, for all our teachers were new and strange to us this year too But, as we got to know them we grew to like them very well.

During the last nine months we sophomores have had part

in making Lomira High School history. We started out with twenty-four students but, unfortunately, we lost Joyce Schneiter who went to Fond du Lac, and Russell Opplinger who left to attend school in Chicago.

Leo Weyer, George Petri, James Klebesadel, Ruben Schaumberg, Donald Bump, and Richard Mayer have been making a name for themselves in basketball and football.

We don't want to forget the girl's basketball team either. Rita Schlaefer, Janett Grandman, Helen Smiljanic, Marietta Martin, June Strobel, Elaine Tolzman, and Phyllis Scheer were active participants in this sport.

Helen Smiljanic, Monroe Grams, Elaine Tolzman, Marietta Martin, Phyllis Scheer, Therese Berg, and Mary Hilbert did fine work in forensics. At the local contest Mary Hilbert received first place in extemporaneous reading, Monroe Grams second in oratory, Elaine Tolzman second in serious declamatory, and Phyllis Scheer second in humorous declamatory. Helen Smiljanic and Marietta Martin received honorable mention.

Among our social events were Halloween, Christmas, and farewell parties. We sophomore girls suffered, or at least our feet did, but we finally succeeded in teaching the sophomore boys to dance. Now at our parties we can thrill to the feel of masculine arms gliding us across the gym floor to the tune of Kay Kyser's music (recordings) in the most intricate dance steps.

In closing our year's history we want to say that we regret the thought that our sophomore year is over; but we are eagerly waiting to see what life as juniors will bring forth.

At the beginning of the school year the freshmen numbered thirty-four. During the course of the past months though, Rose Marion Wahnschaffe, Bob Scharf, Rayno Schultz, Sylvia Barba, and Jerome Beck either discontinued or transferred to other schools. We were pleasantly surprised recently when another name was added to our role; Don Kaiser transferred from a Milwaukee school to join our ranks.

At the beginning of the first semester the sophomores initiated us. No one escaped his share. Then at Christmas

the freshmen returned the party. We also had a farewell party for Sylvia Barba on March 25.

The class is well represented in forensics, football, basketball, various clubs, and in the band and Glee Club.

The girls' first team in basketball consists of: Ruby Klink, Sylvia Barba, Mabel Hefter, Jeanette Reible and Marjorie Guell. Others participating are Darlene Kedinger, Violet Blank, Rose Zehren, Virginia Rohlinger, and Janice Unferth. The boys participating in basketball are: Ray Weyer, Kenny Jagow, Douglas Sterr, John Miller, Gordon Grantman, Lester Burgert, Clinton Hoff, and Bob Priest.

The science class took a few tours during the first semester, one to the firehouse and another to the pumping and disposal stations.

All the girls belonged to the Glee Club. Marjorie Guell, Leslie Klebesadel, Ruby Klink, Douglas Sterr, Janice Unferth, Mabel Hefter, and Jeanette Reible are members of the band.

Rita Weyer, Bob Hayes, Darlene Kedinger, and Zita Elsinger were music students but are not in the band as yet.

The Library and Aviation clubs boast (?) freshmen membership. The latter was organized by freshmen and composed chiefly of them.

BAND

In 1939 Lomira High School had a band for the first time; it was set up under the direction of Mr. Kaiser. The Band Association promoted the Lomira Community Entertainment Series and through this they offered seven concerts to the public. The main attraction in 1939-40 was the joint concert presented by the Lomira and Oakfield Bands. The band, during its first year, consisted of 26 members, with Elaine Waehler as drum majorette. During the second semester the band was uniformed in red and white. The graduating class claimed six members of the band at the close of its first season.

In the fall of 1940 the band had increased to 42 members. The association again presented an entertainment series of seven numbers. The feature events of this year were the joint concert with Oakfield and participation in the sub-district music contest at Ripon. The band brought home high honors that day: a first place rating in concert and a third place in marching. Our band joined with Oakfield which made a total of 75 pieces, and assisted in the opening of the 1941 season of the Fond du Lac Panthers' Baseball Team. This outstanding performance was on the Panthers' field. Other events in which the band took part were the Farmer's Institute, Armistice Day program, Sportsmen's program; it furnished music at all home basketball games. Jeanne Unferth was elected drum majorette. Via graduation at the end of the second season we lost only two members.

When the 1941-42 school year came around our band had increased to 60 members, the result of the summer band session. We also acquired a group of five baton twirlers who were uniformed in red and white. The band played at picnics, church festivals, and at the basketball games, but the main attraction was when Lomira was host to five other high school bands in the first non-competitive Tri-County Music Festival. Along with other high school bands we played at the Fond du Lac County Fair. During the summer the band took part in the State American Legion Convention at Fond du Lac and was given a fourth place rating. In May, graduation claimed six of our members.

Last fall the band hit a 45 membership mark. This year we had only one semester of band because our band director, Mr. Kaiser, left us to work for Uncle Sam "till victory." We made the most of the time we did have by doing some very

good work. The band again played at home basketball games but the two most important events were the Christmas Concert and the Spring Concert. The Spring Concert was the final concert under the direction of Mr. Kaiser. This year the band acquired new uniforms which were in the school colors, red and white. We have been telling you about our high school band but much credit should be given to the 10 grade school students who are members. Three of these members hold first chairs in the band and the rest of them are also important. Graduation this spring will claim four members.

CHORUS

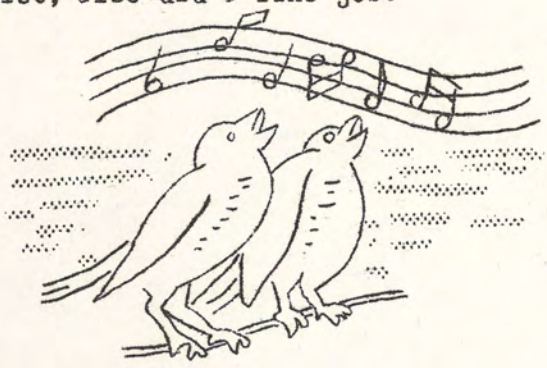
1941 marked the beginning of our chorus, which was organized under the direction of Mr. Kaiser.

The first year the chorus consisted of students from the high school and the junior high. "Deep Purple" and "Anchors Aweigh" were the two songs which were practiced during the first semester. These numbers, plus some Christmas carols, were sung during the Christmas Concert.

The second semester saw the introduction of three-part work, and along with this came the "Pomp and Circumstance March", "The Glowworm", and "Rendezvous".

This fall the chorus was changed into a Girls' Glee Club. It made its first appearance at the Christmas Concert and also sang at the Spring Concert.

The '42-'43 glee club consisted of forty-five members. Special mention should be given to the sextette consisting of Doreen Wolf, Johanna Petri, Phyllis Scheer, Rita Schlaefer, Charlotte Grandman, and Janet Grandman. Elaine Tolzman, who was pianist, also did a fine job.



STUDENT COUNCIL

The members of the Student Council were elected by the student body during the first month of the school term.

This year's officers were:

President.....Eileen Martin
Vice President.....Norman Grantman
Secretary.....Douglas Sterr
Treasurer.....Doreen Wolf
President of Senior Class.....Gerald Muehlius
President of Junior Class.....Calvin Seyfert
President of Sophomore Class.....Janett Grandman
President of Freshmen Class.....Leslie Klebesadel

The council performed certain governing duties dealing with the problems of the student body and the school in general. One of the achievements of the organization was the sponsoring of dancing after the basketball games. For a time the faculty enforced the "Black List," a disciplinary measure for offenders against the rules of law and order; under this ruling the offending pupil was given written assignments to be taken care of outside of school hours. Later in the year Mr. 'Sheski had this changed to a measure which provided for a private black list on the part of the teachers. Pupils whose names appeared on several teachers' lists were punished by a lowering of their standings.

LIBRARY CLUB

Officers

President.....Harriet Bloedow
Vice President.....Dorothy Hesprich
Secretary & Treasurer.....LaVerne Hefter

The Library Club this year, under the supervision of Mrs. Emmerich, is made up of nine members.

The group meets every second Monday. Each member has a special period each day in which she has charge of the desk, checking books in and out. Each member also has a special week during which she must clean the shelves.

With the money collected from overdue books the club would like to purchase new fiction books for the library.

The Aviation Club was organized at the beginning of the school year with the purpose in mind of promoting the knowledge of aviation among the boys.

Meetings were held every two weeks and aviation problems were discussed at that time.

So far the membership consists mainly of freshmen but we hope that next year some of the upper-classmen will take an interest in it too. At present the following members make up the club's roster: Lester Burgert, Gordon Grantman, Robert Hayes, Clinton Hoff, Kenny Jagow, Leslie Klebesadel, Jim Klebesadel, Johnny Miller, Leo Ries, Douglas Sterr, and Raymond Schwefel.

The Science Club is a new organization at Lomira High School. Mr. 'Sheski originated it and he has been very successful with his plans.

This club consists of members from all four classes; any high school student who wishes to join may. The meetings are conducted very informally. Questions may be asked by anyone and we try to answer them to the best of our knowledge.

The group not only devotes itself to scientific knowledge but also goes in for social activities. A party was given which proved to be very successful. Group games and dancing furnished the evening's entertainment.

FORENSICS

3rd Row: H. Luft, A. Isken, J. Petri, M. Lehn,
2nd Row: D. Rucks, M. Hilbert, M. Martin, N. Grantman, T. Berg, L. Guell, M. Grams.
1st Row: L. Hefter, J. Smiljanic, L. Hoff, P. Scheer, H. Smiljanic, E. Tolzman.

There was a fairly large turnout for forensics this spring. The total number participating was seventeen, out of which many were freshmen.

Those who represented us at the League Contest at Kewaskum were Lenard Hoff and Monroe Grams in oratory; Mary Hilbert and Dorothy Rucks in extemporaneous reading, LaVerne Hefter in humorous declamatory; and Johanna Petri in serious declamatory. We received two trophies for first place winners: LaVerne H. and Dorothy R. brought these back; our two second place winners were Mary H. and Johanna P.

A few weeks later these people journeyed to De Pere to compete in the contest there. Dorothy Rucks received a "B" rating while LaVerne H. received a "C" rating.

We know the forensic team of next year will be just as good or even better than this year's.

JUNIOR CLASS PLAY

Back Row: C. Marrese, B. Ries, A. Isken, C. Kindschuh, R. Zastrow, S. Curcurio, Miss Hinners.

Front Row: G. Sterr, D. Ebelt, V. Schultz, W. Kindschuh, L. Hefter, G. Rucks.

This year's Junior Class play, a three act comedy, was held in the Lomira High School Auditorium on December 4, 1942. The play was entitled "Almost Eighteen."

The cast of characters was as follows:

Eddie Barry.....Billy Kindschuh
Ann Sherman.....Vera Schultz
William Barry.....Gerald Sterr
Grace Barry.....Dorothy Ebelt
Mable Warren.....LaVerne Hefter
Mrs. Granville.....Arlene Isken
Uncle George.....Gordon Rucks
Tommy Granville.....Calvin Kindschuh
Sally Davidson.....Connie Marrese
Beatrice Barry.....Bernice Ries
Mr. Merritt.....Roger Zastrow
Miss Dalrymple.....Santa Curcurio

The play itself dealt with the many adventures of a typical high school boy, Eddie, who through no fault of his

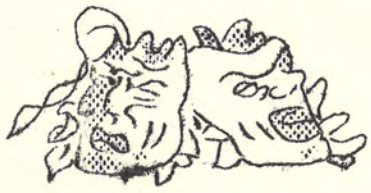
own got into a lot of trouble over a contest on "Truth Today."

Eddie, the hero of the play, accidentally submitted two essays to a contest. One, his own work, he sent in under a pseudonym; the other, a copy of a dissertation by a famous English attorney, his Uncle George sent in without Eddie's knowledge. Why did Eddie use a fictitious name? Because Mrs. Granville and he were on very unfriendly terms over an incident involving Tommy, Mrs. Granville's one and only darling.

Eddie won the contest with the essay submitted by Uncle George. In the confusion over the announcement of the winner, Eddie did not immediately confess that the essay was not his own, and before he was able to clear up the misunderstanding, Mr. Merritt, another judge and also a professor of English, accused him of plagiarism. To top this off Eddie had a quarrel with the girl of his dreams, Ann, because he accidently admired Sally Davidson. When Ann heard of Eddie's dishonesty, she left him flat, even though her heart was breaking. All of Eddie's family refused to listen to his side of the story, and Uncle George, who was the cause, was away on a fishing trip and knew nothing about it. Beatrice, Ed's elder sister, was heart broken, not for Ed's sake, but because she feared she couldn't face her fiance.

Miss Warren and Ed's mother continued to believe in Ed's innate honesty. Their convictions were proven true when Uncle George came back in the nick of time and explained everything. He had entered the essay without asking Eddie. When Eddie explained that he had submitted an essay under a fictitious name, Mr. Merritt explained that Eddie was the winner because that essay had been awarded second prize.

So Eddie won the prize, $250, which he had wanted in order to go to New York to study "crooning." What happened in the future is not known, but as in all happy stories they all probably lived happily ever after.



SENIOR CLASS PLAY

The Senior Class play, "Spring Fever," was held on the evening of April 29 in the high school auditorium. The play was a three act farce and the huge crowd that attended was kept in a hilarious mood all evening. The play was directed by Mrs. Emmerich.

The characters were as follows:

Howard Brant.....Norman Grantman
Ed Burns.....Lenard Hoff
Vic Lewis.....Gerald Muehlius
Lou Herron.....Mary Smiljanic
Mrs. Spangler.....Marion Seefeldt
Anne Purcell.....Jean Unferth
Vivian George.....Doreen Wolf
Henry Purcell.....Elroy Luedtke
Phoebe Purcell.....Agnes Zehren
Maude Corey.....Johanna Petri
Professor Virgil Bean.....Wesley Priest
President Dixon.....Calvin Hundertmark

The entire action takes place in the living-room of Mrs. Spangler's rooming-house at Brookfield College, a small co-educational college in the East, on the day before commencement.

Howard Brant is a senior at Brookfield College who just about does not graduate because he fails to finish a term paper in zoology at the time set by Professor Virgil Bean. The situation seems quite hopeless until Howard's Aunt Maude arrives in Brookfield and takes charge of things.

Anne Purcell's father plans on giving Brookfield College a new science building. But because of a case of mistaken identity, Mr. Purcell is slightly manhandled by a few of the boys and he then refuses to donate the money for the new building. President Dixon hears about Mr. Purcell's refusal to set up this building and he nearly goes into a tantrum over the whole thing. Finally Vic Lewis, Lou Herron, Anne Purcell, Vivian George, and Ed Burns get together and put up a little false act and get Mr. Purcell to sign a paper saying that he will build the science building if Howard is allowed to graduate. The play ends with Howard getting his diploma and with Brookfield College getting its new architectural addition.

Dear Jerry,

Nothing like taking it easy. If I wanted to remind you of all those things we did from 1st grade on it would be too much so will remind you of the most outstanding ones. Remember ~~when~~: those short plays we always practiced when we were in 4th grade, our 8th grade picnic out at — — Beach; when you came out to Elmore last spring and oh what you kids did. Didn't your conscience bother you? oh well you paid for it; then that night we watched S— + D—. Wasn't much to watch, eh?; and last but not least those parties we had this year. Don't tell me that I forgot those wonderful days working at Fonda's. poor Rally. he has the most embarrassing moments. Wishing you the best of luck in the future.

An old classmate + friend,

Jeanne

The seniors are grateful for the opportunity of being able to issue the fourth publication of the well noted annual which will serve as a reminder of their priceless days in the halls of Lomira High School.

The annual was mimeographed at the Fond du Lac Commercial College and the pictures were taken by the Krueger Studio of Hartford.

LION'S PEN

This year the senior class published the school paper. The name was changed from the "Hilltopper" to the "Lion's Pen."

The "Lion's Pen" published the news of the school in an interesting manner.

FOOTBALL

Despite the handicap of injuries this year's Lomira High School Football Team put up a creditable showing against larger and more experienced teams. The starting line-up varied throughout the season because of injuries and the necessity of work at home on the farms, but those who saw much action were Elroy Luedtke, Howard Schneiter, Norman Grantman, Allen Schaumberg, Jerry Sterr, and Douglas Sterr.

The first game with Kewaskum was played at Lomira on October 2. The Lions not only lost this game as far as total points were concerned; they also lost because of the fact that the captain and star player, Mark Stuck, injured his knee. This put him out for the rest of the season.

Leo Weyer injured his back the first day of practice and was also out for the season.

The other opponents of Lomira included Brandon, North Fondy, Oakfield, and Campbellsport. One of the most heart-breaking games of the season, the one at Campbellsport, was played during a continuous rain.

There were six seniors, four juniors, two sophomores, and four freshmen, which makes a total of sixteen boys, on the squad. The freshmen look particularly promising for next year.

Elroy Luedtke and Jerry Sterr were given honorable mention on the Tri-County All-conference Football Team.

BASKETBALL

Ths Lomira High basketball cagers, coached by Mr. Sheski, had a very successful season.

The Fox Tri-County conference was split up into southern and northern divisions. In this way Lomira engaged Campbellsport and Kewaskum in conference play; the Lomira cagers ended up in second place with two victories and two losses.

The team this year, like last year, lacked height. Captain Jerry Muehlius was high scorer for the season with an average of 10 points per game.

This year's first team consisted of Wes Priest and Jerry Sterr at the forward position, Jerry Muehlius at center, and Leo Weyer and Al Schaumberg at guard. Wes Priest, Jerry Muehlius, Al Schaumberg, and Elroy Luedtke will be lost via "diploma".

Besides the two conference opponents the Lomira cagers had non-conference tilts with St. Mary's Springs Academy, Winnebago Lutheran Academy, the Alumni, Schreiner's Eats, and Oakfield.

The Lions landed Jerry Muehlius and Al Schaumberg on the Tri-county All-conference Basketball Team. Wes Priest received honorable mention.

The team shadowed their opponents by scoring a total of 364 points while their opponents collected only 263 points. These lop-sided figures show fully well how Lomira won eleven of their fourteen games.

Lomira was dropped from the tournament this year because of transportation difficulties.

The schedule and results were as follows:

"L" CLUB

Any student who has received a major letter for an extra-curricular activity is eligible to become a member of the "L" Club. The membership is made up of boys and girls.

Officers for this year, chosen at the first meeting last fall, consisted of the following students:

President.....Gerald Muehlius
Vice President.....Phyllis Scheer
Secretary & Treasurer.....Wesley Priest

Mr. 'Sheski organized the "L" Club and has assumed the responsibility of being the faculty adviser.

The "L" Club held a sleigh ride party and sponsored a war bond and stamp drive as part of its activities.

BASEBALL

The Lomira High School baseball team again played baseball this year; like last year there was no conference competition due to transportation difficulties. However, the boys did engage in a few very exciting games with North Fond du Lac and Kewaskum.

Perhaps the boys would have enjoyed the season more if there had been some conference tilts; none the less they played a good brand of ball.

CHEERLEADERS

GIRLS' BASKETBALL

A large number of girls went out for sports this year. Some of the things they participated in were basketball, volleyball, and baseball.

An official girls' basketball team was chosen by Miss Hinners to play other girls' teams during the year. The following girls made up the team: Doreen Wolf, Eileen Martin, Doris Scharf, Jean Unferth, Beaty O'Hearn, Rita Schlaefer, Phyllis Scheer, and Janett Grandman.

These girls played two games with the girls from the Lutheran Academy of Fond du Lac.

The team lost Jean Unferth after she had an appendicitis operation. Eileen Martin was also lost dur to her serious illness.

On March 8, the first of the series of intramural and interclass B.B. game was played by the freshmen and sophomore girls. It was a thrilling game to watch. The freshmen came out on top with a score of 9 to 8. The freshmen who made points were: Virginia, Jeanette R., Mabel, Sylvia, and Ruby. For the sophomores, Rita, Janett, and Marietta made points.

The second girls' game played was between the juniors and seniors. Those who made the score go up for the juniors were: Beaty and LaVerne, and for the seniors: Johanna, Eileen, Doreen, Mary, and Doris. Although the senior girls were handicapped by not having any subs, they won the game by a score of 10 to 4.

In the hard-fighting game between the junior and sophomore girls, the game ended with a score of 7 to 8. The scorers for the juniors were: Dorothy E., Vera, LaVerne and Beaty, for the sophomores, Marietta and Rita.

The game played for the chanpionship was between the freshmen and seniors. Everyone fought hard until the finish, but the seniors took the game with a score of 10 to 8.

The senior girls held the championship, with the freshmen in second place. The juniors held third place and the sophomore girls have fourth place.

Volleyball was taken up as soon as basketball season was over.

Two mixed teams were chosen. Lorraine Kiefer was one captain and Mary Smiljanic another. Lorraine's team won two games, while Mary's won one. Intramurals were also played.

After volleyball season was over and the weather permitted, the girls engaged in baseball.

Miss Hinners was coach for the girls. She took a great interest in coaching the girls and enjoyed every minute of it.

CHEERLEADERS

U-rah-rah Lo-mi-ra! That is what our four new cheerleaders yelled at the first football game of the season. The team was made up of Eileen Martin, Phyllis Scheer, Janett Grandman, and Rita Schlaefer.

At their first appearance the student body saw them in their new flashy, scarlet and white uniforms; these consisted of red sweaters and white skirts.

Throughout the year the girls held several pep-meetings. Coach 'Sheski and members of the teams gave short speeches and then the student body, led by the cheerleaders, gave several favorite yells and sang the school song.

They've kept up the morale of the various athletic teams by their peppy cheerleading, and we think they've done a splendid job of it. Keep up the good work girls!
