Availability

As a mentor runner you will be committed to be at the track on Sunday at 4:00 -5:00pm and Thursday mornings at 7:00 - 8:00 AM to help encourage our young runners. Our expectations are that you will be there every time, unless you are sick or are excused for a school or family activity (in those instances, communication will be made to a leader prior to the absence). We want you there to help greet the running club girls and connect with them relationally. Please leave your cell phones in your cars or bags and limit talk with other mentor runners. You are here to mentor and encourage the girls in the running club! We would love to see you partner each day with different girls, of varying ability to get to know them, and expect that all mentor runners will be split amongst the running club girls and will not be running with each other.

Mentor runners have the option of paying the \$25 that the running club girls pay, in which case they will get the sparkle run shirt, and lesson specific swag 😊. This is **OPTIONAL**.

Character

As a mentor runner, you are in a position of being a role model to these girls. Your character and actions are an important part of being a good mentor runner, more important than your running skills, and so we require all mentor runners to be of good character.

Attitude

In running club we want to create a fun, positive environment. We expect good attitudes, smiles and positive encouragement to share. You will have the opportunity to help set the tone for the runners, and get the privilege of finding joy in helping them accomplish things they never thought they could achieve.
