Parents of 6th and 11th Grade Students

Get ready for 2018-19. Students entering the 7th and 12th grades are required to have immunizations to start school. There is no grace period for these boosters; they must be completed before the 1st day of attendance for the '18-'19 school year.

1. Students entering 7th grade and above must have a 1 time dose of tetanus/diphtheria/acellular pertussis-containing vaccine (Tdap), if born after September 15, 2000; regardless of the interval since the last tetanus/diphtheria-containing vaccine.
2. Students entering 7th grade and above must have 1 dose of meningococcal if born after September 15, 2004; and 2 doses of meningococcal vaccines for the applicant in 12th grade, if born after September 15, 1999; or 1 dose if received when the applicant is 16 years of age or older.

Interpretation: Incoming 7th graders need a Tdap and a meningitis shot. Incoming 12th graders need a meningitis shot, if they had the meningitis vaccine before 16 years of age they need a booster!

We request these be completed and to Mrs. Palmer by May 22, 2018 for records to be updated and no interruption to a student's education. If you have any questions contact Vicki Palmer RN at one of the schools or by email vpalmer@riverside.k12.ia.us

Pierce likes to volunteer in class and is a good role model for others. Pierce willingly puts in the extra time for his studies and for his sports.

Each student receives preferred parking all month as well as being first in lunch line for the entire month. Top Dawgs also receive 2% extra credit in a class of their choice. In addition, they receive a \$1.00 a la carte ticket.

Board Brief

Regular School Board Meeting Monday February 26, 2018

7:00 PM

Agenda can be found at:
<http://bit.ly/2GtsM5K>

Public Forum

Ryan Mace-He discussed two concerns with the Board-bus safety and exit procedures and the safety and security of our facilities. He noted that no single layer of security or protection is 100% effective. Multiple layers and a means to react swiftly to an active shooter situation would be a significant improvement. He asked that the board start a serious conversation, conduct a current threat assessment of all locations, and use all resources available to provide the necessary safety and security for our students and staff. He also provided numerous resources to the administration and Board.

Riverside Football Cheer Squad (Karla Keener)

We would like to introduce the 2018-2019 Riverside Football Cheer Squad. The squad will be busy with some extra fundraisers in order to get funds for new uniforms, equipment, camps, and competitions. During April and May, they will be selling Riverside mugs and water bottles. They have also signed up for the can corals in Carson and Oakland with those dates to be determined. Stay tuned for further details via our Facebook page or school website. Donations are also welcomed and we thank you in advance for your support.

CONGRATULATIONS, STUDENTS!

2018 Shoe Recycling Drive

Riverside Elementary will be holding a Shoe Recycling Drive between April 9 and April 19. Our goal is to divert 900 or more pairs of shoes from our local landfill and reuse them by sending them to developing countries.

(Last year we collected over 750 pairs!)

How can YOU participate?

- Clean out your closets, ask your family, friends, neighbors, and co-workers for matching pairs of shoes they are no longer wearing.
- Rubber band or tie the matching pairs of shoes together.
- Bring them to Riverside Elementary April 9-April 19.

(Please do not send students to ride the buses with large boxes or bags of shoes!)

Classrooms will be holding a competition for bringing in the most shoes, so make sure your favorite classroom gets credit for your donation.

Kindergarten News (Kindergarten Team)

Joyce Isaacson and Mike Randall from East Pottawattamie County Farm Bureau paid a visit to the kindergarten classrooms on February 26th. The students learned corn is planted in the spring and harvested in the fall. Students also learned farmers need to protect their corn plants from bugs, and corn needs sunlight, rain, and soil to grow. One student from each class even got to dress up like a corn plant! The students loved the interactive presentation! Thank you Joyce and Mike for bringing agriculture to the classrooms!

News from Mr. Meek (PreK-6 Principal)

With the IA Assessments done, we are really focusing in on pushing students for the final weeks of the school year. Many of them are looking forward to summer and sometimes that causes them to lose focus on school and we have to work harder to keep them from checking out. We can use your help by encouraging your child to finish school strong and have the a good feeling about the school year heading into the summer break.

We have set our dates for summer school for this year. Grades K-3 will be Monday, June 4 - Friday, June 22 at the elementary school. Your child's teacher may have mentioned to you a possibility of summer school, but remember we wait until closer to the start of May to get our finalized list together of students. Please contact the school if you have questions about summer school.

We will be offering free summer breakfast and lunch again this summer. It will run the same time as summer school, Monday, June 4 - Friday, June 22.

Elementary School

As I walk around the school between observations, I am always amazed at what I see in and out of the classroom. Our hallways, library, and cafeteria are beaming with artwork and short writing samples that will make you stop and look at how awesome our students are and how creative our teachers can be in finding ways to have our students produce outstanding work. I marvel at our staff and students everyday. You should take the time to come and visit our hallways for a few minutes. When I see this in the hallways combined with what I see in a classroom, I know that our students are getting our staff's best instruction everyday. You are always welcome to visit your child's classroom or the school to see what happens in their classroom. If you have the time, please come!

Intermediate School

Along with the 3rd grade, the intermediate school finished up the book Frindle, our One Book One School book, for this year. Hopefully we had as much enjoyment with this book as we did with last year's book, Fish in a Tree. The students did a variety of activities in school in school while you read them at home and hopefully we can get some of their projects and discussions shared out. One of the great things we are doing in conjunction with Frindle is these grade levels will going to Iowa Western Community College to see a play based on the book Frindle. We are excited to see how the play will be alike and different from the book.

Don't forget that the best way to stay up to date on your child's grades and progress in school is to talk to your child's teacher(s) directly, via email or phone calls. For 4th -6th grade students you can see grades as they are entered into our system via the JMC Parent Access portal at <https://riversideschools.onlinejmc.com/>, click on the Parent icon, enter your username and password and you can see grades. The more staff and families that are on the same page, the more successful a student will be.

The results are in from our Jump Rope For Heart Event! Brock Johnson

A big thanks to everyone for helping to make it a huge success!

On April 25th the Jr.-Sr. high school students and staff are partnering with Riverside Links to do community service in our 3 communities. We partnered with them the last 3 years with great success. I appreciate Riverside Links being the organizer behind this effort to provide our students the value and rewards of community service. The students have done a variety of different service projects such as yard work, painting and cleaning windows for individuals. They have also worked in the city-owned parks and green areas making improvements. If you are interested in helping, receiving help or knowing more about this project please contact Gayle Strickland at (712) 482-3436. Our rain date is May 2nd.

Prom will be on April 21st with pictures by Lauren Schueman at 4:30 in the high school auditorium. She will be making order forms available in the high school office. The Grand March will begin at 5:30; it will be something new and different so don't miss it. The students will load buses and travel to Carson Community Building with dinner starting at 6:30 P.M. Dinner is being catered by Jeff Hodges. The dance is expected to start around 7:30 PM. Mrs. Brandon will be the DJ. After the dance, students will load buses for after-prom activities.

The winter sports season has ended and we have moved on to the spring sports. We have many different options for the students to participate in with golf, soccer, and track all being offered to the boys and girls. Our students and coaches have already been hard at work for several weeks this spring. We host several home golf and soccer events starting in April and will be hosting our FIRST HOME TRACK MEET EVER on April 3rd. Please go out and support all of our students in their spring activities.

Career Fair (Jadyn Achenbach, Abi Petersen, Gracie Blum; photos by Delaney Murphy)

On Thursday, March 22nd the sophomore class attended a career fair at IWCC. The day started off with a keynote speaker. The students then went to 3 breakout sessions of their choice. Some of these sessions included information about careers in the following fields: education, health sciences, economics, law enforcement, business management, agriculture, sales & marketing, human services, and media. It was an informative day and the sophomores were thankful for the opportunity.

Dance Team (Jaycee Mansfield, Yearbook photos)

The Riverside High School Dance Team hosted their annual dance show on March 10th. Over 60 campers attended the morning camp learning hits by N-Sync, Back Street Boys, the Jonas Brothers, and more. Season dances and show specials were performed for the community that evening. Overall, the show was a major success and the dancer's are looking forward to next year! We have shared some photos from the evening.
