Riverside Allergy Awareness (Mr. Meek and Mrs. Palmer)

There have been some discussions about the expectations of food allergies at Riverside Schools. Here is what we consider when it comes to peanut/tree nut allergies.

1. All Riverside kitchens are peanut/tree nut free.
2. Any snacks sent to classrooms for birthdays, celebrations, or other classroom parties should be peanut/tree nut free. Any purchased or homemade snack should include the ingredient list. A recipe is OK to send if made at home.
3. We do allow peanut butter to be brought in a lunch. We ask that students not share/trade lunch items.

If there are any changes to a specific classroom regarding food allergies, parents will be notified in writing.

ANNUAL/CONTINUOUS NOTICE OF NONDISCRIMINATION

The District offers career and technical programs in the following areas of study:

Agricultural, food, and natural resources

Arts, communication, and information services

Applied sciences, technology, engineering, and manufacturing, including transportation, distribution, logistics, architecture, and construction

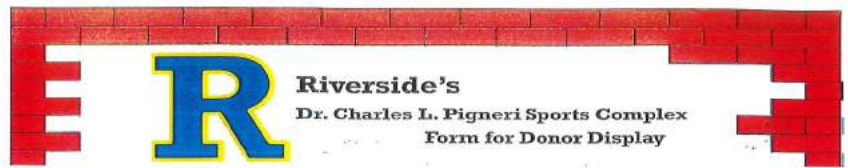

Business, finance, marketing and management

The Board and the District will not discriminate in educational programs on the basis of: race, creed color, sex, sexual orientation, gender identity, national origin, religion, disability, socioeconomic status or marital status. The Board and District will not discriminate in employment on the basis of age, race, creed, color, sex, sexual orientation, gender identity, national origin, religion, disability or genetic information. There is a grievance procedure for processing complaints of discrimination.

Any person having inquiries concerning the District's compliance with federal and/or state non-discrimination law is directed to:

Superintendent Dr. Timothy Mitchell
Riverside Community School District
330 Pleasant Street, Carson, IA
712-484-2212
tmitchell@riverside.k12.ia.us

This individual has been designated by the District to coordinate the District's efforts to comply with federal and/or state non-discrimination laws.

Gold plates will be mounted to bricks retrieved from the Macedonia School Building at the time it was being torn down. They will then be used on a display erected at the Charles L. Pigneri Sports Complex. These plates may be engraved with the donor's name or a name of someone the donor wishes to honor. A donation of \$400.00 will buy 3 lines of text. Any donation amount is welcome, those less than \$400.00 will be engraved on a plaque for display. Donations can be made anonymously. If this is your desire, please indicate on the form and your name will not be published.

Please PRINT CLEARLY AND EXACTLY what is to appear on the plate.

Donor's Name _____	
Address _____	
City _____	State _____ Zip _____
Phone (day) _____	(evening) _____
E-mail _____	

Engraving on each brick has a maximum of 20 characters per line.
The 4" x 8" brick has 3 lines — this includes blank spaces and punctuation.
Please PRINT CLEARLY AND EXACTLY what is to appear on the brick.

Option #1 — 4" x 8" Brick Engraving

Please make your checks payable to Riverside Booster Club and mail to:
Riverside High School
Booster Club
18997 Highway 59
Oakland, IA 51560

By signing this form, I confirm that the text above is accurate for engraving:

este individuo ha sido designada por el distrito para coordinar los esfuerzos del distrito para cumplir con las leyes de no discriminación federales o estatales.

Parents of 6th and 11th Grade Students

Get ready for 2018-19. Students entering the 7th and 12th grades are required to have immunizations to start school. There is no grace period for these boosters; they must be completed before the 1st day of attendance for the '18-'19 school year.

1. Students entering 7th grade and above must have a 1 time dose of tetanus/diphtheria/acellular pertussis-containing vaccine (Tdap), if born after September 15, 2000; regardless of the interval since the last tetanus/diphtheria-containing vaccine.
2. Students entering 7th grade and above must have 1 dose of meningococcal if born after September 15, 2004; and 2 doses of meningococcal vaccines for the applicant in 12th grade, if born after September 15, 1999; or 1 dose if received when the applicant is 16 years of age or older.

Interpretation: Incoming 7th graders need a Tdap and a meningitis shot. Incoming 12th graders need a meningitis shot, if they had the meningitis vaccine before 16 years of age they need a booster!

We request these be completed and to Mrs. Palmer by May 22, 2018 for records to be updated and no interruption to a student's education. If you have any questions contact Vicki Palmer RN at one of the schools or by email vpalmer@riverside.k12.ia.us

Riverside Schools Kindergarten

Riverside Elementary
708 Glass Street
Oakland, IA
(712) 482-6296

ONLY STUDENTS WHO WILL BE AGE FIVE (5) BY SEPTEMBER 15, 2018, ARE ELIGIBLE TO ATTEND KINDERGARTEN IN THE 2018 - 2019 SCHOOL YEAR.

If your child is eligible to attend Kindergarten in the 2018-2019 school year, please call the Riverside Elementary School office (712-482-6296) to have your child placed on the list.

Parents will still need to register their child for Kindergarten at the scheduled registration times. Registration usually occurs in late July/early August. Registration will be at the Riverside Junior/Senior High School.

If your child is new to the district, you will need to provide a copy of the child's birth certificate and immunization records at the time of registration.

If your child does not attend Riverside preschool, please inform the elementary secretary when you call so a packet with important Kindergarten information can be mailed to you.

We look forward to seeing you at the beginning of the school year!

Mr. Meek and the Kindergarten Team

Right: It takes a “village” to make a track meet happen. Jaycee Mansfield and Kristy Rieken check in runners. Far Right: Vanessa Yanes and Shawn Bluml get the hurdles ready for hurdle races.

April Top Dawgs (Holly Garcia)

Top Dawgs for April are Jacob Erickson, Skylar Wilson, and Lilli McCready.

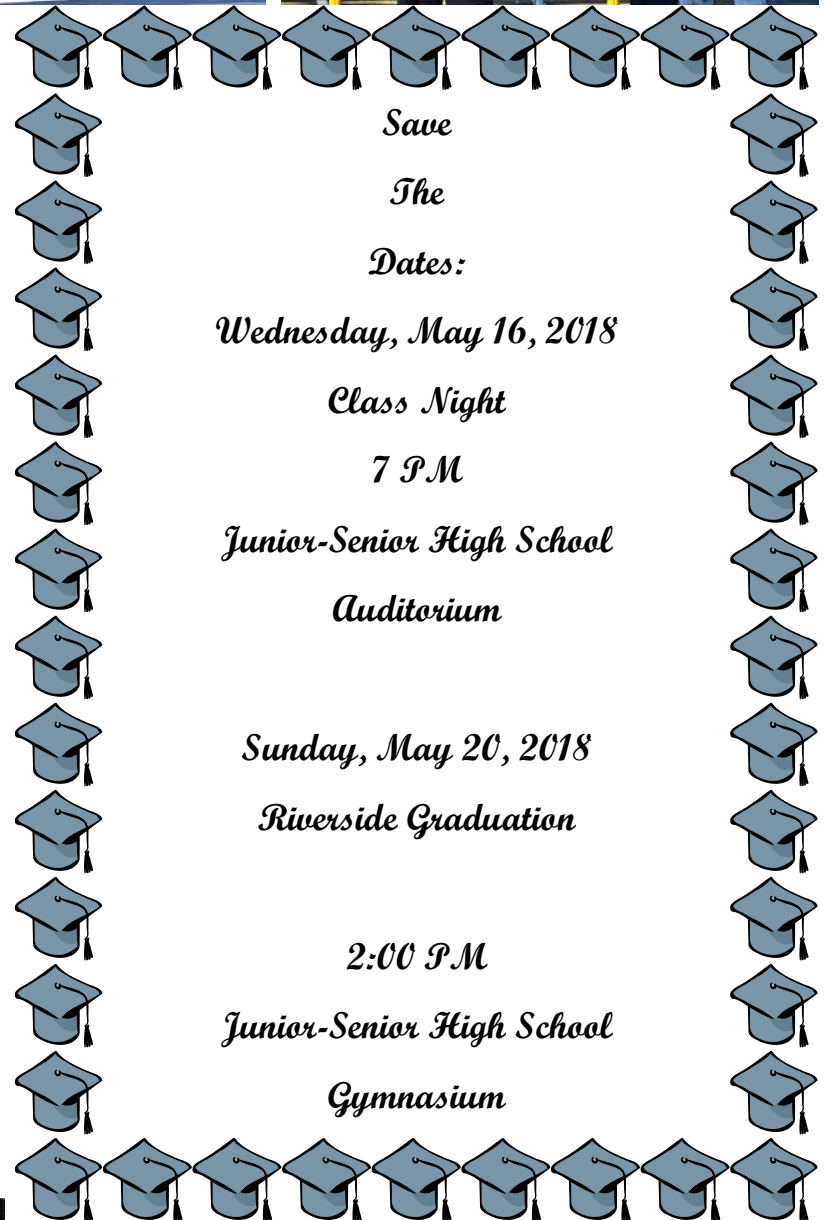

These students are chosen by the staff of junior-senior high school for their responsible leadership and showing respect for the schools and others.

Jacob is an extremely reliable student. He is dedicated and always willing to help others. His great curiosity and great insight is especially welcome in his science classes.

Skylar has been instrumental in getting several FFA projects done for the Riverside chapter this year. She is helpful and always has a smile. Skylar is a member of the FFA chapter leadership team. She is always prepped and ready to go for classes.

Lili is very organized and responsible. She is hardworking and a positive addition to her classes. Lili is kind and considerate.

Each student receives preferred parking all month as well as being first in lunch line for the entire month. Top Dawgs also receive 2% extra credit in a class of their choice. In addition, they receive a \$1.00 a la carte ticket.

JH Student Council Attends Conference (article and photos by Callie Kallsen)

On Wednesday, April 7th, seven 7th Grade leadership students and Mrs. Kallsen attended a Jr. High Leadership Conference at Griswold High School.

The students attended several break-out sessions and listened to guest speaker Tyler Erickson. Mr. Erickson discussed his struggles with PTSD and Depression and the importance of destigmatizing mental illness. It was a great day- the students learned a lot and had fun! The students in attendance were: Ayden Salais, Kia Meek, Veronica Andrusyshyn, Madison Baldwin, Mackenzie Olmstead-Mitchell, Pierce Johnson, and Lili McCready

Riverside FFA Receives Donation

Dr. Kelly Turner and Zoetis Pharmaceuticals are proud to support the Riverside chapter of the FFA. This is a joint program that annually awards a monetary donation to help FFA programs and their students.

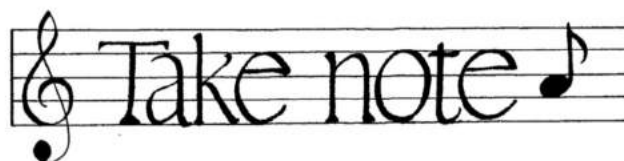

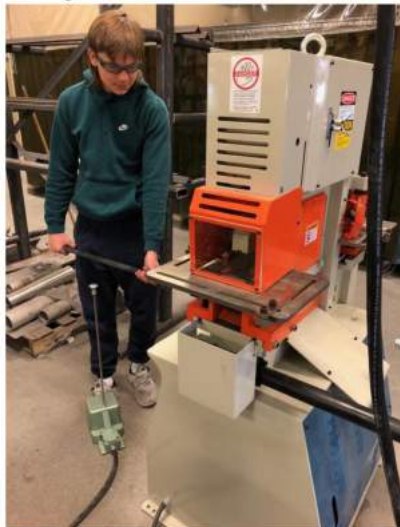

Shown at the left are: Skylar Wilson, Dr. Kelly Turner, Joel Henningsen, Caiden Goodman, and Taten Williams.

Our thanks to Dr. Turner and Zoetis.

Riverside Schools wish to thank all of our numerous supporters for this past school year. Your support means that we are able to enhance and enrich our students' education. Thank you, Thank you, Thank you!

Riverside Receives Grant (Mandie Reynolds)

In March, Riverside's CTE departments, specifically Industrial Technology and Agriculture, applied for an RPP grant from Green Hills AEA. Mr. Clausen, along with Mrs. Reynolds and some students, worked to put together a great presentation requesting funds to purchase an ironworker. Mr. Clausen and Mrs. Reynolds also worked to complete the grant application. Shortly after giving a grant presentation, GHAEA notified Riverside that we'd received \$11,026.33 toward purchasing an Ironworker. The students and instructors are very excited about getting to use this new technology to further enhance their skills in the trades industry. Pictures of the Ironworker and a student using it are below:

RIVERSIDE MUSIC DEPARTMENT CALENDAR OF EVENTS

Monday, April 30th- Grades 7-12 Band and Vocal Spring Program, 7:00pm RHS Auditorium

Friday, May 4th- HS Band and Choir Large Group Performance @Nodaway Valley
4:30pm Band Performance, 5:45 Choir Performance

Thursday, May 10th- Grades 4-6 Band and Vocal Spring Program, 7:00pm RHS Gymnasium

Friday, May 11th- Grades 9-12 Band/Vocal Awards Banquet & Potluck, 6:30pm RHS Commons

Sunday, May 20th- HS Band & Vocal, 2:00pm Graduation

Thursday, August 23rd- 5th Grade Instrument Display Night, 7:00pm Intermediate School

Construction Class News (Mandie Reynolds)

Mr. Clausen's classes have been working very hard to complete a major project at the Jr.-Sr. High School. They have been working to complete a building on the East side of the Jr./Sr. High since last fall. Students have been involved in all phases including pouring concrete for the footings and floor, assembling the walls, and now putting up rafters.

Students have learned many industry-specific skills while working on this project. They have gained real world experience in the field of construction and are very proud of the progress they've made. Thanks to Mr. Clausen and his students for their hard work!

The jazz choir was invited back to Iowa Vocal Jazz Championships, which took place in Des Moines. They finished in 2nd place!!!

Abi Petersen received "Outstanding Musician" as well.

Southwest Iowa Schools Make History in China (Supt. Justin Wagner, Harlan Community Schools)

Last week, eighteen students from four schools in Southwest Iowa made a historic visit to China. The trip was sponsored by Syngenta and included a meeting with Ambassador Branstad as well as establishing the first-ever sister-school relationship between an Iowa school district and Chinese school district. The participating school districts included Harlan Community, AHSTW, Riverside, and Woodbine. The trip was focused on a cultural exchange with an emphasis on agriculture and business ideas in education.

The first Chinese school they visited was the Beijing No. 80 International School. This is a private school that approximately 2,200 students attend and live on campus during the week. The Iowa students were able to interact and participate in several lessons with the Chinese students and staff.

The students also visited a public school in Chengde City where a sister-school relationship was established with Chengde No.1 High School. An official signing ceremony was held where the Iowa students were honored guests. The Chinese students and staff were very excited to meet students from the United States. The Iowa students were given the opportunity to attend classes and learn more about the public education system in China.

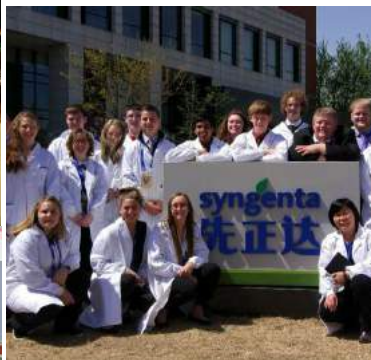

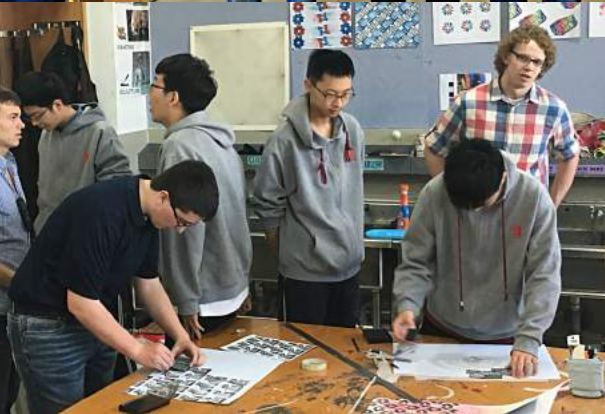

Both of the Beijing No. 80 and Chengde No. 1 schools would be considered boarding schools by United States standards. The Chinese students have a rigor-

ous course schedule. For example, the Chengde students begin classes at 6:00 am and end at 10:00 pm each day. Students are able to go home on the weekends if they choose.

In addition to visiting schools, the students experienced the history and culture of China. Students visited Tiananmen Square, Puning Temple, Beijing Summer Palace, Chengde City Summer Palace, Kung Fu show and the Great Wall of China. The students also toured the Syngenta Innovation Center where they learned about agricultural innovations.

“This trip is focused on providing educational opportunities for kids in rural communities. This is only one piece of a larger project we’re working on, said Justin Wagner, Superintendent of the Harlan Community School District. The collaboration among the school districts in this area is historic as well. The intention is to include more school districts in the future and allow their students to experience these ‘once in a lifetime’ kinds of experience. We need to reimagine what education can look like in rural communities and then do whatever we can to make those opportunities possible for our kids in southwest Iowa.”

Riverside students were Katie Messerschmidt, Caiden Goodman, Joel Henningsen, and Taten Williams. Their FFA advisor accompanied them and provided the photos.

INTERMEDIATE NEWS

On Tues. April 10th, 2018, Logan-Magnolia Community Schools hosted the SWI Regional Math Bee event for area sixth graders at the Logan Community Center. According to Lori Lockwood, regional coordinator of the event, students were selected to compete by being the top four math students that are currently enrolled in the sixth grade in their home district. Twenty-five teams, across our region, competed in this event with a goal of determining which schools had the top three math teams and which competitors were the top twenty-five individual students. After nearly sixty-four minutes of testing student abilities in the areas of: the number system, expressions and equations, geometry, statistics, and ratios and proportional relationships; the results for both teams and individuals were tallied. Three teams were chosen as the top teams. The team taking first place was from Treynor. Taking second was Glenwood Middle School Team A. Third place was awarded to Harlan Team A. The top twenty-five individuals were also recognized. From Riverside, Kyler Rieken and Anthony Bernard tied for 10th and Abe Schechinger tied for 8th. Jay and Charles Klemmenssen were also part of the Riverside team.

This was Riverside's first year to participate in this event. The team was sponsored by Bonnie Kramer.

Elementary and Intermediate News (Jamie Meek, PreK-6 Principal)

The end of the school year is only weeks away! I cannot believe that the school year is already at a close and we are looking at the summer as well as to next school year. We have had a lot of great things happen this year and, looking back, we had a lot of fun and the students and teachers have learned a lot together. We have had our ups and downs but overall it has been a very successful year all around.

The Intermediate School went out into our communities and completed some community service. We have done this annually, usually, in conjunction with a May Day event. They cleaned up yards, parks, areas around our roads, some community member yards, and just helped make our communities a cleaner place. This is one little way for us to give back to you who help us be a great school district.

The Elementary School

As we close out the school year, each grade level does some sort of fun activity or field trip to help wind up the school year. Please pay attention to the notes that come home with your child so you can keep up with everything as the school year comes to an end.

This summer we will be offering summer school again. We have been diligently planning, looking at data, and talking with teachers about students that could benefit from better and more reading skills and standards. Our summer school will be Monday, June 4 - Friday, June 22. It will be 8:00 a.m. - 12:00 p.m. on all of those days and we will provide transportation, breakfast, and lunch on all of those days. When this article comes out, we will be finalizing the students who will be eligible to participate in summer reading school. If you need more information, please contact your child's teacher.

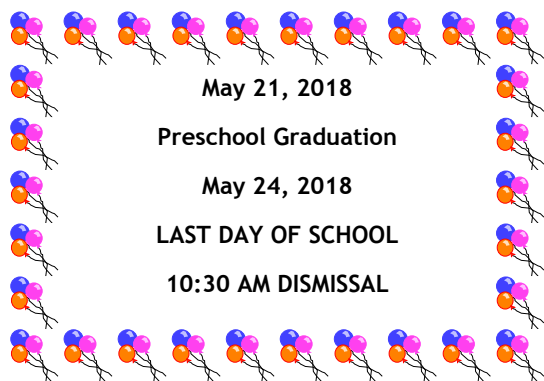

May 7th - 11th is Teacher Appreciation week and the Principal's Cabinet will be doing little things to show our staff just how important they are to our community. If you would like to help them with their plans for the week, please contact them via their Facebook Page, Riverside ES/IS Parent-Teacher Organization (Principal's Cabinet). You can do the same with a thank-you note to your child's teacher telling them how much you appreciate what they do every day for your child. Don't forget all the special teachers like Art, Music, Walk to Read, Computer, TAG, SPED, or PE who may not see your child on a daily basis but make a difference in your child's educational progress. This will also be happening at the Intermediate School.

The Intermediate School

With the end of year approaching, each grade level does something fun and something to help and connect with our communities. 4th grade goes to the quarry, 5th grade takes a trip to Botna Bend, and 6th grade is participating in a Farm Safety Day again. On May 1, each grade level went out to our communities by delivering May Baskets to people around each town and also spent a little time cleaning up around the school, neighborhoods, and each town. If you see them around thank them for what they are doing.

Almost every newsletter article I end with a paragraph about staying in good communication with your child's teacher. Working together is the best way for a child to grow academically, socially, and emotionally. I end this year with this request: talk to your child's teacher and ask them what are some things that you can work on with your child this summer to help them be the best prepared for the 2018-2019 school year. With your help and a little bit of direction, they will be ready for next year.

Have a great summer!

got books?

got books?

As the year is winding down- please check for library books that your child may have checked out and return these books to the library! We appreciate your assistance with this. If you are unsure if your child has any overdue books- please contact the school library.

RIVERSIDE STEM FESTIVAL (Lindsey Henderson et al.)

The Community Center in Oakland was the site for the 3rd Annual Riverside Community STEM Festival where people of all ages got the chance to engage in science, technology, engineering and math activities provided by local organizations and groups.

Thirty-three wonderful exhibitors from all across Iowa and Nebraska shared their talents and knowledge with the 400 plus guests. There were many extended family groups - 3 generations worth - that came to enjoy the evening.

Exit polling is always an important part of the event to see what the "take-aways" were from children and adults. The comments were very positive with many enjoying the new & unusual exhibits that were shared. Thank you to these first time participants: Shelby County Raptor Recovery, the National Center for Science Education, Oakland's Eckels Memorial Library, Carson Fire and Rescue, the Science Center of Iowa, Conductix-Wampfler, Pottawattamie County Sports & Family Chiropractic, Riverside Industrial Tech & Ag, and Omaha's Henry Doorly Zoo & Aquarium. We would also like to thank our faithful participants for their continued support of our festival: AgriVision, Great Western Bank, Cub Scouts, Sanders ATA Martial Arts, Kristy Rieken, Oakland Fire and Rescue, Pottawattamie County Conservation, Family Inc, Buena Vista University, Farm Bureau, Green Hills AEA, Riverside Art, Riverside Technics, Arbor Bank, HTS Ag, Lego League/Riverside Robotics, IPTV, Cody Akers, and East Pottawattamie County ISU Extension & Outreach. There really was something for everyone! We really appreciate everyone who shared and everyone who came to participate! Even the youngest of guests went home with a filled backpack and lots of fun experiences.

Many thanks go out to the planning committee which includes staff and volunteers from the Riverside Elementary School in Oakland and the East Pottawattamie County ISU Extension Office. Dr. Alan Ladd of the SW STEM Regional Advisory Board for helping with tasks at the event as well! A huge thank you to Deb Frazee, the Southwest Hub Manager, for her continue support and guidance. It takes a village to make events like this happen for our community and our kids! We are so thankful for our village! #weRiverside. We thank Lindsey Henderson for sharing the photos.

SHOE DRIVE (Jen Perkins)

From April 9-April 19, Riverside Elementary 3rd Graders hosted a Shoe Drive. Community members were asked to donate shoes they were no longer wearing. In partnership with the 712 Initiative, the shoes will be donated to developing countries or recycled through Funds2Orgs. A competition was held to see which classroom could bring in the most shoes. The winning classrooms were allowed to choose a staff member to kiss a tree! A whopping 1,936 pairs of shoes were brought in, more than doubling our goal of 900 pairs. Ms. Schutt's class brought in 373 pairs and chose PE teacher Mr. Johnson to kiss the tree while Mrs. Perkins's class brought in 424 pairs and chose 1st grade teacher, Ms. Schutt, to kiss the tree for a minimum of 10 seconds. There are plans to do this annually, every April, so save your shoes for next year! Way to go, Riverside! We thank Jen Perkins for the pictures.

Right: Sara Conway, runner-up at the Lo-Ma golf meet with medalist Alyssa Brink.

Alyssa was the runner-up at the Underwood meet.

The Riverside girls golf team handed Underwood's girls their first loss. They also took a meet from Logan-Magnolia girls. Congratulations, ladies! (photos by Jason Crum)

Left to right: Sara Conway, Meghan Reed, Bailey Wiese, Alyssa Brink, Bailey Faxon, and Linnea Stark.

Riverside hosted its first ever track meet on Monday, April 16, 2018. One of the special events on the track was the dedication of the bulldog that was donated to the school by the family of Susie McCowen whose parents worked for both the Oakland and Riverside school districts. Susie was a 1984 graduate of Oakland High School where she was a state champion in the 100 meter and 400 meter hurdles during her high school career. The bulldog will now watch over our track. Shown above left are Dr. Mitchell, Barb and John McCowen cutting the ribbon and above right are Barb and John McCowen with their daughter, Beth Schueman. Our thanks to the McCowen Family for their generosity.

Soccer, Track, Baseball, Softball Expectations

Persons in attendance will only be allowed to leave the complex to the parking lot and to return to the game with administration's permission

All people in attendance will be expected to stay in the stands or standing along the fence near the concession stand, or traveling to the concession stand, restrooms, or to leave the complex

Persons in attendance are not allowed under or behind the bleachers or on the track or field, unless you are directed by the administration

Persons in attendance are not allowed on the baseball, softball, or track and field event areas

Only members of the coaching staff, opposing team's coaching staff, media, administration, and scoreboard operators are allowed in the press box and on the walking paths around the press box

There will be no tailgating and grills allowed in the parking area or anywhere in the complex

Alcohol, smoking, smokeless tobacco, and look-a-likes are not permitted anywhere on school grounds including the parking lots

No animals other than service animals

Gute News (David Gute, 7-12 Principal)

Another year is winding down and we have had many things to celebrate as a Jr.-Sr. High School. We congratulate our upcoming graduates and appreciate their contributions to Riverside as students for the last several years. Best of luck to the class of 2018 as they enter the next phase of their lives, whether that be college, career, or a trade.

Semester finals will be held Wednesday, May 23rd, and Thursday, May 24th. Please discuss upcoming final tests and projects with your students to ensure they are ready to do their best. These assessments of student learning are a great way to show how much students have progressed throughout the year. Students will not be allowed to leave for open campus for lunch or study halls during semester finals.

Although this is our second year in the Jr.-Sr. High School building, we have been busy preparing for another transition next school year. We will be adding 6th grade to our building in the fall, as well as two additional teachers, Mr. Chapin and Mrs. Berndt. We are excited about this transition and will continue to make adjustments to schedules and procedures to handle more students in the building.

Lastly, as the school year is coming to close, I want to make sure to thank all the volunteers we have had in the last calendar year at all our different activ-

You will find the complete 2017-2018 School Calendar at: <http://bit.ly/2t8XsXU>

Teacher and Staff Appreciation Week May 7-11, 2018 "Celebrate Teachers"

Join me as we all celebrate the hard work and important contributions our teachers and staff make during National Teacher & Staff Appreciation Week May 7-11, 2018* with National Teacher Day being May 8. This is a week to reach out and thank those who work so hard to provide educational services to the Riverside community. Our teachers and staff deliver inspiration, knowledge and motivation to our students on a daily basis. During this week take the time to send a note or offer a work of recognition to a special teacher or staff member. Thank them for all they do to help our students achieve great things each and every day.

2017-2018 Calendar

Last Day of School--Thursday May 24, 2018--Dismissal at 10:30 AM

Teacher Workday--Friday May 25, 2018

Last Day for Seniors--Wednesday May 16, 2018

Graduation--Sunday May 20, 2018

Transition 2018-2019

The Board approved the 6th Grade Transition to the JHSH Building for the 2018-2019 school year. They also approved delaying the 3rd Grade Transition to the Intermediate School until the 2019-2020 school year. We will use the additional year to work with parents and staff to identify and address concerns and issues before we move ahead.

Five Year Capital Project List

We are finalizing the Project List for our Five Year Capital Improvement Plan and will be setting a Board Work Session in June to discuss and prioritize the projects. We will also be discussing how the fund the JHSH Project completion and future projects.

Legislative Update

Legislators have almost completed their work for the 2018 legislative session. Much of that work is taking place behind closed doors as Senate and House leaders and the governor try to reach agreement on a tax bill. Work on the rest of the budget is on hold until that occurs -- as is work on the remaining substantive policy issues such as the state penny for school infrastructure (SAVE) and operational sharing incentives. Both of those bills are in the Senate, awaiting consideration on the floor. Riverside Community School District supports the passage of both of these bills and will continue to work with the Senate to hopefully move the bills forward.

Riverside Community School District Hall of Fame

The purpose of the Riverside Community School District Hall of Fame is to honor graduates, employees, teams, individuals and friends of the Riverside Community School District for their accomplishments at and/or to the service of the Riverside Community School District, and also to inspire our students to become the best that they can be. We hope to make our first selections and have our first induction ceremony in conjunction with the 25th Year of Riverside Celebration.

The Riverside Community School District Hall of Fame exists:

- To honor students/teams who have accomplished extraordinary feats in extracurricular activities.
- To honor those who have made great contributions to Riverside Community School District over a period of many years.
- To honor those Riverside Community School District graduates who have distinguished themselves in life after high school

It is not just for Riverside Community School District but any accomplishments during the days of Macedonia, Carson and Oakland should be considered for the Riverside Community School District Hall of Fame.

To nominate someone please fill out the application that can be found at www.riversideschools.org

25th Anniversary of the Riverside Community School District 2018-2019

We are forming a committee and discussing our theme for the 2018-2019 school year being aligned with this celebration.

Student, Parent, Employee and Activities Handbooks

We have added a link to our website: <http://bit.ly/2wSvmoV>. Hard copies have been distributed to parents.

Ethan Henderson and Delaney Murphy

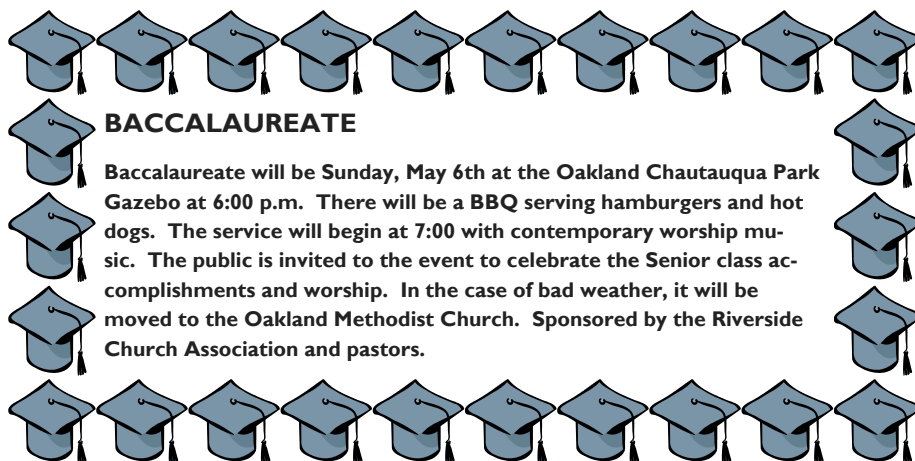

Strength Clinic Coming

On Friday, May 11th and Saturday, May 12th the Riverside Booster Club will be hosting strength and conditioning clinic for students grades 7-12. This clinic will be presented by Anthony Chilton. Anthony Chilton is the Head Strength and Conditioning Coach for Iron Elite Wrestling as well as a personal coach to a large number of successful athletes throughout the state of Iowa. He is an accomplished powerlifter, winning competitions in both the USAPL and the NASA organizations. He has extensively studied the Conjugate Training Method developed by Louie Simmons of Westside Barbell as well as other training methods to increase overall strength and power. Over the last 5 years Coach Chilton has focused on studying methods outside of powerlifting to increase his athletes overall work capacity as well as the speed and explosiveness. He has incorporated over 20 years experience into each program he designs and sees the results in his athletes that range from J.H. to NCAA D1. This clinic will run on Friday, May 11th from 2:30-4:30 pm with a parents meeting at 5:00 in the RHS Gym. The Clinic on Saturday will also be at RHS from 9-4 pm. There is no cost for students to attend this clinic. We encourage all student athletes in grades 7-12 to attend this clinic.

The Junior Class and Mrs. Shellberg would like to thank the following to all who helped make the 2018 Riverside prom a success:

The Buck Snort, Carson Business Club Can Corral, Atlantic Pizza Ranch, After Prom Committee Bake Sale.

In addition, we thank all the wonderful citizens and parents in the Riverside communities who supported our fundraisers. We couldn't have done it without you. Tammy Shellberg

BACCALAUREATE

Baccalaureate will be Sunday, May 6th at the Oakland Chautauqua Park Gazebo at 6:00 p.m. There will be a BBQ serving hamburgers and hot dogs. The service will begin at 7:00 with contemporary worship music. The public is invited to the event to celebrate the Senior class accomplishments and worship. In the case of bad weather, it will be moved to the Oakland Methodist Church. Sponsored by the Riverside Church Association and pastors.

Congratulations!

Holly and Paul Garcia are pleased to announce the birth of their daughter, Lucy Dolores Garcia. Lucy arrived on Monday, April 16 and weighed 6 lbs., 14 oz.

Our Congratulations to the Garcia Family.

HEY PARENTS/GUARDIANS!

SUMMER OPPORTUNITY FOR THE KIDS

The Eckels Memorial Library's Summer Reading Program will start on May 29, 2018 and will continue until August 1, 2018 for all children through graduated 8th graders. We have over \$1,450 of prizes to give away including cash and toys! Incentives are given throughout the summer, and children who read at least 40 titles are entered into our Grand Prize drawing at the end of the program. The Grand Prize drawing will be held Saturday August 18th, 2018 at 10:00 am at the library so be sure to stop by the library for more information!

Your library is open Tuesdays and Wednesdays 12 - 5 pm, Thursdays 12 - 7 pm, Fridays 7 - 9 pm, and Saturdays 10 am - 2 pm.

Music Department Travels to Chicago

Thirty two band and choir students took a trip to Chicago over Spring Break, March 28th-30th.

Upon arrival in Chicago, the music department enjoyed a walk around Millennium Park where they saw the infamous “Bean” and unique pop culture artwork. The schedule allowed them to take a spontaneous drive to Navy Pier, where several students rode the 196 foot Ferris wheel. Other students enjoyed a walk along the pier and took advantage of shopping opportunities. The day concluded with dinner at the Hard Rock Cafe and a 103 story climb up the Willis Tower with amazing views of miles and miles of big city lights from The Ledge!

The weather cooperated the second day in Chicago. Students enjoyed their morning hours at the Lincoln Park Zoo and an afternoon of shopping at the Magnificent Mile and Water Tower Plaza, which held seven floors of shopping! Students enjoyed a historical mobster bus tour of the Prohibition Era around the city of Chicago. The evening ended at Medieval Times, an 11th Century, European style castle which boasted a fun and engaging dinner theater. (P.S. The Blue Knight lost.)

The final day in Chicago started with the band and choir’s morning performances at the Museum of Science and Industry. Following that, the group visited exhibits at the museum, including an interactive Lego Exhibit. At the Shedd Aquarium, students were in awe from the beluga whales and the Aquatic Dolphin Show. The trip wrapped up with Giordano’s Pizza for supper and a fantastic theater experience with front row seats at the Blue Man Group!

The band and choir extend a thank you to families, business supporters, and the community for making this trip possible!

HS Music Department Participates in Solo & Ensemble Contest

The high school band and select choir students traveled to Woodbine on April 14th for Solo & Ensemble Contest.

What is Solo and Ensemble?

Solo and Ensemble is just what it sounds like... an event where band students and other musicians get together and perform either in ensembles or as a soloist with a piano accompanist. This event is, in some ways, similar to an audition, and in some ways is similar to a concert. Participants play in a room in front of a judge and are given a performance rating - however, they are not compared to others, but are given a rating based on their individual performance.

When you see these kids, be sure to acknowledge their hard work and effort in preparation to this event!

- Jacob Erickson, Piano Solo D1
- Rhyann Sanny, Vocal Solo D1
- Lydia Wede, Trumpet Solo D1
- Sara Conway, Alto Sax Solo & Vocal Solo D2
 - Collin Price, Vocal Solo D2
- Bailey Rose, Tenor Sax Solo D2
 - Lydia Wede, Vocal Solo D2
- Trumpet Trio (Marcos, Andy, Lydia), D2
 - Woodwind Ensemble, D2
- Marcos Antunez, Trumpet Solo D3

-Brass Ensemble, D3

D1= Superior, D2= Excellent, D3= Good

Senior Sara Conway performs her vocal solo.

Junior Lydia Wede performs her vocal solo.

The jazz choir after their 1st place finish at Reiver jazz competition at Iowa Western. The Jazz Choir is directed by Kelsey Burns. All choir pictures were provided by Miss Burns. Congratulations!

5th Grade Percussion
Paxtyn Meek, Keaten Rieken, Aurelia Taylor, Veronica Schechinger, Julieanna Thomas

6th Grade Clarinets
Addison Feuring, Mica Welch, Abe Schechinger, Anthony Bernard

5th Grade Flutes
Avla Richardson, Madeleine Scarr

6th Grade Saxophones
Carly Henderson, Blake Allen, Dalton Smith, Caitlin Duede, Ruthie Pendgraft

Intermediate School Band Members

Above: 5th-8th grade students who were selected for the SWICDA honor choir. The kids spent the day rehearsing at Underwood High School and performed the music later that evening.

Top row: Alex Weis, Pierce Johnson, Keaten Rieken, Paxtyn Meek, Charlie Klemmensen
Middle row: Macy Woods, McCartney Sanny, Paige Long, Hannah Lund
Front row: Izzy McDermott, Elyssa Amdor, Addi Feuring

After a weather-related delay, the first ever Riverside Track Meet was held on Monday, April 16. It was a cold day, but the Lady Dawgs managed to place 3rd with less than a 5-point difference between them and the winner Underwood. Among the highlights of the meet was a first place finish by Riverside's own 4x8 team of Alexis Post, Jacey Kallsen, Ari McGlade, and Gracie Bluml. Officials were pleased regarding how the meet went and we look forward to hosting some more track meets in the future. Photos have been provided by the yearbook class.
