## Riverside Allergy Awareness (Mr. Meek and Mrs. Palmer)

There have been some discussions about the expectations of food allergies at Riverside Schools. Here is what we consider when it comes to peanut/tree nut allergies.

1. All Riverside kitchens are peanut/tree nut free.
2. Any snacks sent to classrooms for birthdays, celebrations, or other classroom parties should be peanut/tree nut free. Any purchased or homemade snack should include the ingredient list. A recipe is OK to send if made at home.
3. We do allow peanut butter to be brought in a lunch. We ask that students not share/trade lunch items.

If there are any changes to a specific classroom regarding food allergies, parents will be notified in writing.

## ANNUAL/CONTINUOUS NOTICE OF NONDISCRIMINATION

The District offers career and technical programs in the following areas of study:

Agricultural, food, and natural resources

Arts, communication, and information services

The Board and the District will not discriminate in educational programs on the basis of: race, creed color, sex, sexual orientation, gender identity, national origin, religion, disability, socioeconomic status or marital status. The Board and District will not discriminate in employment on the basis of age, race, creed, color, sex, sexual orientation, gender identity, national origin, religion, disability or genetic information. There is a grievance procedure for processing complaints of discrimination.

## IMPORTANT INFORMATION FOR PARENTS

Effective April 1, Riverside is pleased to offer PayForIt to our parents to pay fees, fines and lunch balances online. Parents will also be able to check payment history, review purchases and set up automated email reminders.

# PayForIt.net

### What is PayForIt?

PayForIt (PFI) is a Secure Online Payment system which simplifies payment, collection and balancing of funds for School Districts. It enables parents to pay fees, fines and fund accounts quickly and easily online. PayForIt allows parents to opt into and manage email reminders about their student's accounts.

### Benefits:

- ✓ Using PFI, secretaries spend less time taking cash at the serving lines, so students have more time to eat. Additionally, there is not a chance of lost lunch money from home to the serving lines or building offices.
- ✓ Payments can be made by credit card or electronic check 24 hours a day, 7 days a week at the parents' convenience.
- ✓ Parents can review what their students are actually purchasing along with account balance information.
- ✓ PFI supports increased communication between the school & the parents.

### Features:

- ✓ Parents can opt to receive an email when a family balance dips to a certain threshold (set by the parent).
- ✓ Parents can opt to use an automatic payment feature which replenishes their family account(s) when a balance dips to a specific level (specified by the parent).
- ✓ School messages are automatically emailed to parents.
- ✓ A continuous online survey is provided to monitor parent feedback and ideas.
- ✓ Student information is automatically transferred from year-to-year and from school-to-school.
- ✓ Parents can manage more than one student account.
- ✓ PFI is PCI, or Payment Card Industry, compliant and maintains industry standard SSL certificates. This ensures all data is safe & secure as defined by the industry.

### How to sign up

Log on to [www.payforit.net](http://www.payforit.net).

Select the "Sign Up" option from the menu. The screens will guide you through the process to establish your account.

1. The internet convenience fee will be charged at 4.00% per credit card charges and \$1.75 per electronic check.
2. You will be prompted to enter your contact data, password, payment information, etc.
3. You will need to indicate which student(s) to attach to your account. Student names must be entered exactly the same as they appear in JMC (Riverside's student information system). Students are already loaded in the PFI system from JMC so the names must match exactly. PFI utilizes the same student ID number already used throughout Riverside's student information system. If you are unsure of your student's ID number, you can check it in your JMC online access account, or contact your child's building.
4. Once you have an account, you can choose to pay lunch balances, fees and fines at school using a credit card.

Once all information is entered, PFI will email a validation code for you to confirm the registration. Once confirmed you can begin using PFI as often as you'd like.

### How to get help

**How Do I...?** Each major function used in PFI, has online help available under the menu option of "How Do I...". The "How Do I?" provides step by step instructions as well as screen examples.

**FAQ:** When starting to use PFI, it is a good idea to review the Frequently Asked Questions (FAQ) available within the Help menu option.

**Support Videos:** There are videos you can view about the different features of PayForIt.net.

<http://vimeo.com/user13751241/payforit-tutorials>

**Contact Us:** You are also able to send an email to the PFI Help Support Staff. This function is also within the Help menu option.

**Elementary and Intermediate School (Jamie Meek, Principal PK-6)**

We have had a great first couple weeks of school and students are getting into the routines and academics of school. Many of them took those first couple days to learn where to go and meet some new teachers and staff around the building. A few tears were shed, but everyone has got moving and used to the new schedules and after the first couple days, it looks pretty much like a regular school day. When you are talking to your child about the new school year, make sure to ask them about schedules and what their daily routine looks like. For many of them it is new and can be scary, but we always make it through and it gets better. When you have questions please do not hesitate to contact your child's teacher or school to get those questions answered. At the elementary and intermediate school we are in an implementation year for Positive Behavior Interventions and Supports, or PBIS that utilizes specific lesson plans to teach students about positive behaviors in various areas of the school: hallways, lunchroom, buses, recess, and a few other areas. The first few days of school we will be taking time to teach each student our expectations for these areas around the school so that each student sees and hears the positive expectations for behavior. We are excited about this new opportunity to teach our students some new expectations and also some new ways for us to celebrate our great students!

Over the last few years in my newsletter articles I stressed having open and honest communication with your child's teachers, myself, anyone associated with the school, or a question about a school policy. Over the past few years it has become increasingly easy to get on social media and ask questions about the school, your child's classroom, or something that happened at school. In my experiences this type of discussion has led to a lot of wrong information, a misunderstanding about your question or concern, and sometimes hurt feelings over the wrong information. I would always suggest that you contact your child's teacher first, phone or email, or myself to get your answer before using social media. If you want your child's experience and your experience to be the most positive, talk with them when an issue comes up. Be open with problems that you child is having at school, even if your child asks you not to talk to the school. Send emails or make phone calls so that everyone who is in contact with your child is on the same page. We want everyone in the community, all families, students, and staff, to have the best Riverside experience that they can!

Students wait to enter the Riverside Intermediate School on the first day of school.

**WE  
R  
RIVERSIDE!**

Our thanks to Lindsey Henderson for submitting some first day of school pictures at Riverside Elementary.

Get excited, **Riverside Elementary!**

For more than seven years, hundreds of thousands of Iowans have taken part in the Healthiest State Annual Walk, presented by Delta Dental of Iowa. We've taken great steps together to promote our state's well-being, but there is much more work to be done.

On **October 4**, thousands of Iowans will again support Iowa's efforts to become a healthier state with the goal of having at least one organized walk in all 99 counties. I'm pleased to announce that this statewide effort will include **Riverside**. The date of the walk also aligns with International Walk to School Day, which we are excited to support.

Last year, Iowans were encouraged to step it up and walk 30 minutes. This year, the Healthiest State wants Iowans to #GetYourWalkOn and not only just on **October 4**, but every day. The theme for this year "Walk More, Connect More" also encourages Iowans to walk with friends and family.

Walking is one of the best ways to stay healthy. It's also a great way to connect with friends and family. Walking together gives us an opportunity to catch up and refresh our minds, and the physical benefits add up, too! Take care of weekend errands with your family on foot, or invite your neighbor to start a casual walking group. Along the way you'll build strong bonds and memories.

The Healthiest State Annual Walk, presented by Delta Dental, represents more than 30 minutes of walking; it shows our dedication to building healthy habits in our students and teaching them the importance of physical activity.

In addition, the Healthiest State is encouraging Iowans to participate in their social media contests on Facebook (<https://www.facebook.com/HealthiestIowa>) for individuals, communities, and schools. There are great prizes including an opportunity for our school to win \$1,000!

Please remind your child to wear his or her best walking shoes on **Oct. 4th**. **Parents, family, community members, etc. are welcome to join us for the walk starting at the elementary playground at 8:30 A.M.**

Visit [www.iowahealthieststate.com](http://www.iowahealthieststate.com) to learn more about the Healthiest State Initiative and [www.iowahealthieststate.com/events/walk-details/966/](http://www.iowahealthieststate.com/events/walk-details/966/) for more information on the Riverside Elementary Walk. Together we can do something great for our school and for Iowans across the state.

**We R Riverside TeamMates Summer Fun (Lisa Putnam)**

Riverside TeamMates mentors and mentees got together in July for some food, fun and conversation. Everyone enjoyed getting reacquainted and catching up on summer activities. The Riverside TeamMates Program is excited for a new school year and the chance for the mentors and mentees to meet on a regular basis again!

Our first year was extremely successful, as 24 students were matched with mentors. However, we have several students who still need a mentor, so if you can spare 30-45 minutes during the school day to meet with a student to talk, play games, or eat lunch, please contact Lisa Putnam lputnam@riverside.k12.ia.us or Jana Hensley at jhensley@riverside.k12.ia.us Thank you and go Bulldogs!

This summer Lauren Schueman [Lauren Schueman Photography] sponsored a giveaway. The winning student would receive a FREE family photo session with Lauren and would be able to choose a teacher to also win \$100 from Lauren Schueman Photography to be used in his/her classroom, no strings attached. The winner of the contest was 4th grader, Logan Rose. He selected first grade teacher, Mrs. Alison Henry to receive the money. Mrs. Henry was able to purchase prizes for the treasure box, a phonics board game, and several books for her classroom library. Thank you, Lauren! (photos submitted by

Parents and community members get their information and develop their opinions on the effectiveness or quality of our district through a variety of digital communications. Please check out our new video on our website, our Facebook page, Twitter account and Instagram account. We will be working this year to ensure consistent brand elements across all marketing channels. We will be expanding our efforts to inspire our students and community by prompting the positive aspects of our district.

### Student, Parent, Employee and Activities Handbooks

These handbooks have been completed and approved by the School Board. We are preparing copies for all of our families in our district. We will also have access to the handbooks on our website. They should be ready for distribution the second week of school. Clear written expectations in our district are a way to hold ourselves and others accountable.

### Bullying and Harassment

The Riverside Community School District is committed to providing all students with a safe school environment in which everyone is treated with dignity and respect. Bullying and/or harassment of or by students, staff, and volunteers is against our local policy and is not tolerated by the board. Bullying and/or harassing behavior can seriously disrupt the ability to maintain a safe environment, and the ability of students to learn and succeed. Therefore, it is the policy of the school district that school employees, volunteers, and students shall not engage in bullying or harassing behavior in school, on school property, or at any school function or school-sponsored activity. All suspected cases of bullying and harassment should be reported and they will be investigated. Copies of the district policy and complaint forms are available in all the handbooks, on our website and a copy can be obtained at any office of the district.

### 2017-2018 Superintendent Goals

This year I will be proposing three goals to the Board. They will be in the areas of student achievement, communication and school climate and culture. I will be finalizing the goals and indicators of success and presenting them to the School Board at their next regular meeting in September.

### Extracurricular Improvement Advisory Committee

I met with athletes, parents and coaches of fall sports and distributed the athlete pledge, coach pledge, parent pledge, and a new coach expectation list. With a commitment to working together and behaving in a way that develops a championship culture we hope to see improvements in our programs this year.

### Building Progress-Sports Complex

The Board has approved a work agreement with B & D Diamond Pro to complete the infields and warning tracks of the baseball and softball fields. This work will be starting soon. The corrective action on the outfields will also be started this fall to make sure the fields will be ready to go for the upcoming seasons.

### Building Progress-Safe Room Addition

Anderson Construction has reported that the project is on track and we will have no issues with moving the 6<sup>th</sup> Grade for the start of the 2018-2019 school year.

# We R Riverside!

Trustworthiness  
Respect  
Responsibility  
Fairness  
Caring  
Citizenship

Over the summer I attended a conference with 5 teachers from the school district. We will be rolling out a new character development curriculum. We are calling it "Bulldog Pride" and will be working with students during advisory at a minimum of once per week. There are 6 pillars of character that will be emphasized throughout the school year. They are Trustworthiness, Respect, Responsibility, Fairness, Caring, and Citizenship.

## Riverside Student Honored

On July 20, 2017 Riverside sophomore Abigale Petersen was crowned Jr. Fair Queen at the East Pottawattamie County Fair. The Queen was a senior at AHST-W, Sidney Nelsen. The duties that she had to do as the Jr Fair Queen was pass out ribbons at the cattle, sheep, goat, chicken and rabbit shows. "I got to take many pictures with people visiting the fair and got to meet a lot of amazing people. I got to proudly represent the fair during the weekend." Congratulations, Abi! Riverside is proud of you.

## New Faces At Riverside

I'm Ryanne McIntosh and I'm originally from northwest Missouri. I graduated from Northwest Missouri State University with a BS in psychology. I then went to Capella University and graduated with an MS in school counseling. For the past 2 years, I worked with Southwestern Community College in their Parents as Teachers Program for Union and Adams counties. I'm very excited to be the elementary counselor here at Riverside this year! Welcome, Ryanne!

I hope it's been a great summer, and you have had some time to spend with your children. It is now time to start a new year, and I wanted to bring a couple of dates to your attention.

Tuesday, August 29<sup>th</sup> at 7 PM: Parent meeting with Assistant County Attorney Shelly Sudmann. She discussed some of the dangers of social media and where students can get themselves into trouble/danger. Topics included: Bullying, Cyber-Bullying, Sexting, and the penalties that could happen.

Since she was addressing parents she covered ways to monitor children's on-line activities as well as cell phone activities and cell phone safety.

At a later date, Ms. Sudmann will be available to talk with students about the dangers of social media!

Upcoming events include:

Thursday, September 14<sup>th</sup> at 9:00 AM: Student Assembly with Bobby Petrocelli. He will give a presentation around, "The Power of Every Moment. The Importance of Every Decision"

Tuesday, October 24<sup>th</sup>: TSBank will provide a guest speaker. They will visit about good character and anti-bullying.
