BELIEF STATEMENTS:

- We believe children are the top priority.
- We believe a supportive community, including family and those interested in the well being of the success of the students, will foster the best results for our school.
- We believe quality personnel, comprehensive curriculum, and appropriate tools facilitate high caliber education.
- We believe students and staff will be respected and supported in a healthy, safe, and positive environment where everyone can excel.
- We believe self-esteem and motivation are key elements in reaching one's full potential.
- We believe high expectations can be achieved through ownership of one's actions.
- We believe in the importance of open and honest communication (with family, community, and school).

STRATEGIES STATEMENTS:

1. Attract and retain excellent staff
2. Engage in meaningful and effective communication.
3. Provide the technology necessary to achieve our mission.
4. Promote a healthy, safe, and positive learning environment for all students and staff.
5. Provide facilities that are consistent with the needs of our mission.
6. Advance curriculum to harvest excellence.
