

Jourdanton ISD

Food Service Management Proposal, #JISD2021-01 (RFP #)

FAQs

1. Clarity and breakdown of all SFA expenses.

Employee payroll costs, office supplies, POS software, and cleaning supplies for maintenance of building.

2. For the avoidance of doubt, should all companies be using {\$3.99} to bid for the equivalency factor according to the formula provided in the RFP. The formula referenced is: Sales (revenue in dollars)/Federal Free Reimbursement Rate + State Match Reimbursement Rate + .07 meal certification, if applicable + USDA Entitlement Value.

The Request for Proposal contains all required information for a vendor to make an offer. The formula to convert non-program revenue to Meal Equivalents is Sales (revenue in dollars)/Free reimbursement + USDA Entitlement Value, no further information will be shared.

3. What is the Average Daily Attendance by School, you provided ADP for the Food Service Program, I would like to know?

2020-2021 ADA (year)

HS – 394.932 JH – 335.104 Elem – 684.342
