Good evening Katahdin Families. I'm calling with the weekly district announcements.

KMHS students will begin our NWEA state assessments on Tuesday. NWEA testing will take place for students in grades 3-5 the weeks of May 9th and 16th. This is one opportunity to show what has been learned this school year. Remind your child to do their best.

Wednesday, May 4th from 5:30 -7 KES will be hosting a Family Trail Night. Dinner will be served, updates will be provided on our grant funded outdoor learning project and everyone will have the opportunity to walk our trails.

This Thursday, May 5th at 5:30, the KES ASP will host the annual Variety Show. We hope you can make it to see the many talents of our students. Thursday is also the final day of ASP for the school year. Thanks to our ASP coordinator, Gail Pocock and the ASP staff who have made ASP a success this year!

Please continue to keep sick children at home to protect our school and community. A link to the Pre-Screening Tool for School Attendance will be on the website and in the email of this message.
