May 8, 2022

Good evening Katahdin Families. I'm calling with the weekly district announcements.

Thanks to everyone who came out to KES for our Family Trail Night and our Variety Show! It was great to see everyone. A special thank you to Denise Tapley, our food service director and our food service crew for the delicious meal provided.

Middle and high school baseball and softball are in full season. Call the office for a schedule of games.

NWEA testing continues this week for KES. Thanks to students who tested last week. Everyone worked hard and tried their best.

Tuesday, May 10th at 6PM, KMHS will host our spring concert. Please join us!

This Wednesday, May 11th is an Early Release Day for students and a professional learning afternoon for staff. Student dismissal is at 11:15.

Katahdin Schools Middle School Honors Dinner is on Thursday, May 12th at 5:30 PM. Congratulations to our middle school students.

Reminder to high school students to be completing your Community Service Hours. This year's seniors need 24 hours and starting with the Class of 2023, students are required to complete 32 hours (8 hours per year).

Prom is May 21st this year. Contact KMHS for more details.

As we enter the warmer months, please remember that sunscreen and bug spray needs to be applied at home prior to coming to school. Water bottles should be sent to school with each child. There are water bottle refilling stations at each school.

May is Lyme Disease Awareness Month. Spring is a great time to start the routine of checking your children each night before bed for ticks.

This week Covid-19 test kits were distributed to all Katahdin students and staff PreK-12. We were provided with these free kits by the Maine State DHHS.

Please continue to keep sick children at home to protect our school and community. A link to the Pre-Screening Tool for School Attendance will be on the website and in the email of this message.

Where Education is Exciting!
