May 15, 2022

Good evening Katahdin Families. I'm calling with the weekly district announcements.

Thanks to everyone who was able to attend our spring concert and middle school honors dinner last week!

Congratulations to our Young Author's participants, Kiarra Conklin, Autumn Unteriner, Emily McNally, Payton Gardner and Clara Powers.

Senior portfolio presentations will take place this week beginning tomorrow. Congratulations to our seniors for reaching this important milestone. Please call KMHS with any questions.

KES will hold our final Scholastic Book Fair this week in the KES library. All books are Buy 1 Get 1 Free. This is a great opportunity to add to your home library and encourage your child to continue reading. Be sure to stop by!

Our state science assessments will take place this week for students in grades 5, 8 & 11. Remind your children to do their best and show what they know.

On Wednesday, May 18th at 6PM KES is holding a Zoom meeting for all families of students entering grades K-5 next school year. The purpose of this meeting is to explain and answer any questions about our schedule changes for the fall. The link to the meeting will be in the email of this message. [Parent Meeting Link](#)

On Thursday, May 19th we will hold our monthly school board meeting at 5 PM in the KES cafeteria. A link to the meeting is on the agenda that has been publicized.

Thursday, May 19th will also be our monthly food pantry from 2:30 - 4. This will be our final food pantry of the school year. There will not be a food pantry for June or July. We will resume this monthly event on August 18th.

Prom is Saturday, May 21st. Please call KMHS for tickets and details.

KES students in grades K-5 have been invited to sing at the Fiddlers and Fiddlehead Festival this Saturday, May 21, at the Patten Lumbermen's Museum, sharing a few songs from music class this year. Any students who wish to participate should be at the museum before 10:15 Saturday. Please contact Mrs. Miller with any questions.

Please continue to keep sick children at home to protect our school and community. A link to the Pre-Screening Tool for School Attendance will be on the website and in the email of this message.
