Triad CUSD#2 strives to ensure accessibility of its website for everyone, including individuals with visual, hearing or other cognitive disabilities. Good faith efforts are being made to conform to the Web Content Accessibility Guidelines (WCAG) 2.0 and statute's implementing regulations at 34 C.F.R. Part 104, and Title II of the Americans with Disabilities Act of 1990 (Title II), and to comply with Section 504 of the Rehabilitation Act of 1973 (Section 504). These guidelines were established by the World Wide Web Consortium, an international community with a shared vision to make all websites accessible to individuals with visual, hearing, or cognitive disabilities.

How to Access PDF Documents

Adobe Acrobat is required to view and print PDF documents that appear on many pages throughout this website. To download this program for free, [visit the Adobe website](#).

How to Report Issues

If you use assistive technology (such as a screen reader, eye tracking device, voice recognition software, etc.) and have difficulty accessing the information on our website, please contact us at 618-667-5400 or [email](#), and provide the URL (web address) of the material you tried to access, the problem you experienced, and your contact information (name, email address and phone number) so that we may contact you to provide the information in another format.

Third-Party Sites

Please note that some pages on our website do contain links to third-party sites, which are not within our control and may not comply with accessibility standards. While Triad CUSD#2 is not responsible for the content or accessibility of all third-party sites, the district requires that any third-party online curriculum that is made available to enrolled students or the public complies with level AA of the World Wide Web Consortium's Web Content Accessibility Guidelines. The following curriculum partners support these standards:
