Jeremy Lohry presented the new grading strategy they are trying and wanting to implement. The strategy is to help those students who have a 0% in the class and bringing it up to a 50%. This is only for classroom work and not tests but will give the student hope to where they will start trying harder. He wants to proceed with the strategy and Low asked for feedback on how it is going.

## **December 2022 - Parkview Elementary Board Report**

- Current Enrollment
  - Pre-K through 5th Grades: 224
- November/December Students of the Month: Responsible
  - Preschool - Aspen Brannan
  - Kindergarten - Paisley Kilduff
  - First Grade - Paulette Quijada
  - Second Grade - Kaisley Sanford
  - Third Grade - Jerson Gray
  - Fourth Grade - Angelo Marquez
  - Fifth Grade - Brayden Garcia
- December Fire Drill: December 13, 2022, 10:30 am
- Thank you to the school board from all EEC and Parkview staff for the hams and turkeys we received for Thanksgiving.
- Parkview PTO has been hard at work. They have held a Cornhole tournament fundraiser, hosted concessions during the RHS basketball tournament, and did our annual Santa Shop all in the month of December.
- Thank you to Mr. Summers for two great Christmas concerts. The second and third grade concert was held the evening of December 5 and the fourth and fifth grade concerts were held on December 8.
- The high school anatomy and physiology students presented to Parkview fourth and fifth graders on December 7 about the dangers of vaping and what it does to your body. They did a great job and were great examples for our younger students.
- Parkview Elementary Grandparent's/Friends Day was held for kindergarten through fifth grade students and families the morning of December 8. We had a great turn out and it was fun to be able to restart this tradition after not having it the last couple of years.
- Middle of the Year DIBELS Reading assessments were completed for all kindergarten through fifth grade students in December. These assessments check for student growth in reading fluency and comprehension while reading

passages at their grade level. Student scores are also used to identify students needing more intensive reading instruction through a READ plan.

Respectfully submitted,

Carlene Cantrell  
Parkview Elementary Principal
