

## Rangely School District RE-4 ESSER III Use of Funds Plan

School districts received ESSER III funds to help address COVID-19 recovery. These funds must be utilized to address the needs of schools in responding to, and recovering from, the COVID-19 pandemic. The funding was provided to reopen or sustain the safe operation of schools while also addressing any learning loss that occurred during the COVID-19 pandemic.

Rangely School District RE-4 solicited feedback on the use of these funds through conversations with the District Advisory Committee and the Board of Education.
