- Mathbox Quiz- Friday, March 18th
- 3rd 9 Weeks Report Cards Issued- Wednesday, March 23rd
- Measurement Unit District Assessment- Wednesday, March 23rd
- Ecosystem Diorama Due- Wednesday, March 23rd

## Things to Know

**COMMUNICATION HOME:** This folder will come home each Wednesday and have important papers from the school, as well as any graded papers for the week. Please initial or sign each graded assignment and return the next day.

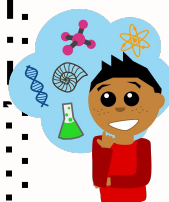

**Were you absent?** Each teacher has a Schoology Course with daily assignments for students that miss school for any reason (quarantined, sick, personal, etc.) Assignments are due one week after it has been posted. If you would like to watch live lessons (if available) please let the teacher know.

**Headphones:** We use headphones DAILY. Please make sure that students are bringing their headphones.

**Laptops:** Please make sure students are charging their laptops each night. Students will clip down and walk if they have to charge their laptops.

**Toys and fidgets are cute but please do not allow your child to bring them to school. Check bookbags!**

Your child needs their own pair of **headphones or earbuds**. We use these on a daily basis in all of our classes.

## WHAT WE ARE LEARNING

### Math

- In math we are working on picture graphs, bar graphs, and line plots. We will gather data about our class to create different graphs with the information. We will continue our Bubble Multiplication Fluency Challenge.

### Science

- This week we are learning about different ecosystems and how the environments support the populations and communities within an ecosystem. Students will be bringing home information for the Ecosystem Diorama today!

### Social Studies:

- We will be celebrating St. Patrick's Day by learning about the history of the holiday.

### Reading/Writing

- We are finishing up our Character Studies unit where we analyze and get to know the characters in our books. We will be taking our District Unit Assessment Thursday, March 17th. You can help your child by discussing what they are reading and the problems their characters are facing. This week's sight words are: **every, little, good, make, falling, smaller, spraying, played**

**New Reading log is in student's binder. Question codes are located on the back of the paper. Students should read (hopefully a fiction chapter book) for 15 minutes Monday-Thursday evening.**
