Grant Applicant 3 (if more than 2): Position: School/Dept:

Title of Project: Project will begin: and end:

Amount Requested (min. \$50 – max. \$1,000): If amount were reduced, would you accept it? Yes No

Please use the rubric for the Innovative Education Grant Criteria found in the Innovative Education Grant Guidelines to guide your project application.

1. Describe the project, how it is creative or innovative, and how this project supports and enhances the school’s curriculum and student learning.
2. Describe the impact the project will have on student learning and how the project will make a difference for students in attaining curriculum goals. Please note if you would be willing to share success stories of students’ learning.
3. Explain the assessment/evaluation component that you will use to measure the project's success.
4. List the specific items and their cost that you are requesting for funding through the Foundation. You are welcome to attach additional information and purchasing information.
5. If this project is requesting additional funding from other groups, please provide that information.
6. Does the principal and/or director support the grant application? **Yes** No

(For official use: Amount Authorized for the grant)
