Parent Connection

Second grade is the only year students will learn cursive, so it is very important that students practice at home!

Reminders:

- If you can purchase your child a pair of headphones for use at school, it would be very beneficial. We have a very limited number of extras in our classroom.
- **Please** make sure iPads are charged nightly! We are noticing more and more students not coming to school with their iPads charged. They are needed to complete daily assignments in class.

Dates to Remember

March 18th- Time and Money Test

March 23rd- Report Cards Issued

April 1st- Healthy Heart Challenge Ends

To Do:

Continue to look for weekly emails from the 2nd grade teachers at the beginning of the week.

There are many times that we include additional information in our email that is not stated on the newsletter.
