Dear Families:

The RSU 10 Equity Committee will be providing an online conference for students in grades 5-12 on March 30th. Students who are interested in participating will go to school on this date. Participating students will choose educational sessions on the topics of Supporting Diversity and Equity, Racial Justice, and Understanding Gender. We will start with a keynote speaker – a former MVHS graduate. We are excited about offering this opportunity to our students.

We want to invite all district students in grades 5-12 to attend this event. Registration will be out soon, and we will provide information about each session.

If you have any questions please feel free to contact Leanne Condon or Kasey Flagg.
