11 holds a current state license to practice from the Delaware Examining Board of Physical Therapists and Athletic Trainers,
12 and who holds a doctorate of physical therapy shall receive a base salary level of doctor's degree. A school-based physical
13 therapist who has completed additional course work separate from the physical therapy master's degree may apply for
14 rightward movement on the indexed scale under subsection (a) of this section.

SYNOPSIS

This Act provides school-base physical therapists who have graduated from an accredited college or university with the highest level masters or doctorate degree, and who have achieved a passing score on the national physical therapy examination issued by the Federation of State Boards of Physical Therapy, with base salaries of Master Plus 30 or Doctorate, and provides the ability to move forward on the salary schedule for additional credits earned. Since 2015, a doctorate degree is required in order to sit for the national physical therapy examination for licensure.
