

SOLVING THE MYSTERY OF MATH

June 2018

Dear Parents/Guardians:

Elementary students finishing Grades 1-4 have the opportunity to participate in the 2018 Commissioner's Summer Math Challenge which begins on June 18 and ends on July 27. The program is FREE and is designed to help students maintain math skills through the summer. All students who return their Summer Math Challenge Log to their classroom/math teacher by September 6, 2018 will be entered into the school-wide and grade level raffle drawings.

In order to participate:

1. Go to quantiles.com/summer-math to enroll your child
2. Starting Monday, June 18, check your email inbox for daily emails for fun math activities and resources
3. Encourage your child to visit quantiles.com/summer-math every day to complete the weekly math challenge and earn badges
4. Have your child complete the Summer Math Log and give the completed log to their classroom/math teacher by September 6, 2018

Have a great time completing math activities over the summer!
