

## **Parent Math Curriculum Review Partners**

West Valley School is reviewing math curriculum options as a district and we value input from all of our stakeholders. The Math Review Team has spent months evaluating multiple curriculums and has two options as the finalists. Each curriculum offers digital and print materials for students and teachers. This digital platform is a supplemental resource.

If you are interested in checking out their student online portion and giving us your input, please join the two presentations listed below. It would be beneficial for you, if you can, to view the presentation before you access the temporary digital account for each curriculum.

Once you have had some time to explore, click the link next to the curriculum to fill out the feedback form. We will accept feedback until **March 31, 2022**.

Curriculum	Presentation Link and Date		Feedback Form
Envision Math	<a href="#">Envision Zoom Link</a>	3/18/22 5:30-6:30pm	<a href="#">Form</a>
Into Math	<a href="#">Into Math Zoom Link</a>	3/22/22 5:00-6:00pm	<a href="#">Form</a>

### **Access the curriculum online:**

Some questions to consider when analyzing the curriculum are listed below.

- When viewing the presentation, was it easy to understand how it works for students and families?
- Did the presentation give you a good overall picture of how the parent/student platform works?
- When viewing the platform, did you find that the content had a high interest level for the age of learner?
- Did you think it was easy to find support if needed?
- Did your child view the platform with you? If so, was their overall feeling positive?
- Is there anything you wonder that wasn't addressed?

Thank you so much for taking the time to give our district feedback on these two great curricula. We will compile all feedback and review all stakeholders' information. Our team has been working on this review since September and we are so thankful for their hard work and dedication. If you have any questions about this process, please feel free to email me.
