Welcome to our webpage and welcome to Mills Elementary School. My name is Joel Sauter and I am the principal here at Mills. Having been in education for over 34 years I am very passionate about my work and I look forward to partnering with you to provide our students with a rigorous, engaging, and high-quality school experience.

As the parent of two grown sons, ages 25 and 28, I know the importance of a strong home-school connection. Parents are every child's first teacher and I believe that by working together, we can make sure your child's social, emotional, and academic needs are met.

Please make sure and continue to check our page as we post updates to what is happening at the school. We will also be sharing opportunities for families to come celebrate, with all of us, the great things that are happening at Mills.

Go Mustangs!!!
