

Dear Community Partners,

Mark your calendar for a special event on Saturday, June 4th, 2022. The Marysville School District Early Learning Center is excited to announce that we are hosting our first “Early Childhood Expo” from 11:00 AM-1:00 PM at Liberty Elementary School. Liberty Elementary is located at 1919 Tenth Street Marysville, WA 98270.

The goal of this event is to provide a fun, engaging, and interactive experience for families with young children to come together with community partners and explore the resources available in our community. This is a great opportunity to showcase the wide variety of programs, activities, agencies and more that Marysville (and it’s surrounding areas) has to offer to our youngest learners and their families.

We would like to offer you a space to set up a table to share information about your program. We ask that in addition to sharing information you provide an interactive activity and/or a complimentary take-away for children that attend. We will be offering a live Children’s Music Performance, a Native American Storytelling session, free raffles and prizes.

If you are interested in participating, click [here](#) to fill out an RSVP form. You can also cut and paste this link into your browser: <https://forms.gle/YdVFkxBdaDdYgKni7> or scan the QR code with your smart phone.

Tables and chairs will not be provided. We ask that you bring your own table, chairs, and materials for your table and be present at your organization’s table the full time of the event. You are welcome to bring a tent. There is no access to power.
