Dear Preschool Parents / Guardians:

First, let me thank you for your support and understanding as we, as a nation and community, responded to the unexpected invasion of COVID-19 over the past years. I am very proud of the way our ECDC students, parents, staff, and community leaders handled the demands we were faced with to protect everyone as we continued to educate our students during the most unusual of circumstances.

As we prepare for the 2022 -2023 school year, we ask that you complete the attached google form regarding your child's intended enrollment for Pre-K 4 or Kindergarten. This will allow us to plan more effectively for our students in the new school year.

Our number one goal is to provide learning experiences that promote academic excellence. It is my sincere hope that you will continue your child's enrollment at the Willingboro Public Schools Early Childhood Development Center for the 2022-2023 school year.

Please click the link to complete 2022-2023 enrollment status: [2022 - 2023 Student Enrollment Status](#) and complete the week of Parent Teacher Conferences, March 22 - 25, 2022.

If you have any questions or concerns, please feel free to contact your child's building Principal or myself.
