

Setting up a College Visit

How do I set up a college visit? It is Soooo EASY!!

1. Call or e-mail the Admissions Office (see below popular requests)
 - If your school is not listed below, then you can easily find this information on their school web site by just Googling the name of the college, university, or tech school.
2. You can say, “I am a senior/junior from Okaw Valley High School and I am interested in scheduling a college visit for November 7th.”
(keep a notebook and calendar handy for names or numbers)
Further discussions may include -
 - Setting up a tour of the campus with a group or individual
 - Meeting with an admissions counselor from a specific department of interest
 - Meeting with someone from the Financial Aid Office or Special Education Dept.
 - They may request an unofficial copy of your ACT Scores or OVHS Transcript
