Husky Weekly Highlights

The Spotlights –

- No-Mask option and “Lunchball” Returns to SCS
- Tennis Teams at Riverside and versus Irrigon
- St. Patrick’s Day Dress-up Competition
- Baseball Friday, 3/18, v. Culver: L, 2-13

Above: After parts of two years with a mask requirement, it is now an optional choice that also enables ‘Lunchball’ to return. Above a group of middle schoolers compete in a game of Bump.

At left clockwise from far left: The past week included St. Patrick’s Day for which both student councils promoted a dress-up competition and other prizes for those finding a shamrock. Sixth grader Sara Jo T sports not only her green attire but her glasses as one of the prize winners. The Reader Board was appropriately programmed to proclaim the day. Fifth-grader Creed W sports a very dignified approach to a day that recognizes a Saint. Emma R assists Mrs. von Borstel in sorting the various prizes for their winners during lunch in the Cafeteria.

Below: Tennis had matches away in Boardman on Tuesday versus Riverside HS and at home Thursday against Irrigon HS. **At left,** Tyler W-B returns service in his doubles match played with partner Alvaro A. **At right** (l-r), Pyeper W and Emily L prepare for a ‘special rally huddle’ down 7-8 in their doubles match versus Irrigon which they ended up winning the set 8-8 on a 7-2 tie-breaker.
